COMO, CO, ITALY, July 31, 2026

/EINPresswire.com/ -- Today, A' Design Award & Competition has released its call for entries to A' International Lighting Projects and Light Art Design Awards. The A' Lighting Projects and Light Art Design Awards are open for entries by Lighting Project [Designers](#), Lighting Architects, Industrial Design Studios, Lighting Product Manufacturers, Lighting Brands, Interior Designers, Landscape Architects, Event Planners, Stage Designers, Exhibition Designers, Light Artists, Visual Effects Artists, Electrical Engineers, Lighting Consultants, Lighting Technology Developers, Lighting Projects Innovation, Consultancy, Research and Development Companies worldwide. Lighting projects, light art installations and architectural illumination concepts developed within the last 10 years are eligible for participation.

The A' International Lighting Projects and Light Art Design Awards is a two-phase competition. Participation begins with a complimentary preliminary evaluation of lighting projects and light art innovations, Lighting Project Designers, Lighting Architects, Industrial Design Studios, Lighting Product Manufacturers, Lighting Brands, Interior Designers, Landscape Architects, Event Planners, Stage Designers, Exhibition Designers, Light Artists, Visual Effects Artists, Electrical Engineers, Lighting Consultants, Lighting Technology Developers, Lighting Projects Innovation, Consultancy, Research and Development Companies can register at A' Design Awards to submit a work for the Lighting Projects Awards, and get a preliminary score for their work. Projects that pass the preliminaries can proceed with nomination, however it shall be noted in advance that

there is a nominal fee for nominating entries for Lighting Projects Awards consideration.

The A' Lighting Projects and Light Art Design Awards recognize excellence in lighting environments that transform architecture, landscapes and public spaces through illumination. From architectural lighting, immersive light installations and projection-based artworks to urban lighting strategies, landscape illumination, stage lighting and interactive light experiences, the competition celebrates projects that merge technology, creativity and spatial storytelling. Entries are evaluated anonymously by an international jury of more than 300 academics, lighting designers, architects, artists, engineers and lighting technology specialists, ensuring recognition is based solely on innovation, visual impact, sustainability, technical performance and design excellence.
