About Estate Property Services Ltd.

Cameron Clewes, the Founder of Estate Property Services Ltd. Started cutting lawns at just 10 years old, a kid with a mower, going door to door around his neighborhood. What began as a way to earn a little pocket money turned into something much bigger: a genuine passion for outdoor work and a knack for making properties look their best.

Over the years, that early hustle grew into Estate Property Services Ltd. A full-service landscaping and property maintenance company now serving Caledon, Cheltenham, East Mono, Halton,

Inglewood, Terra Cotta, and surrounding communities. What hasn't changed is the mindset Cameron started with: show up, do the work right, and take pride in every property you touch.

That same hands-on, client-first approach is what's earned the company back-to-back Quality Business Awards for Best Property Management in Caledon (2025 and 2026) — proof that the values learned pushing a mower at 10 years old still show up in every job the crew takes on today.
