

The Miami Foundation Recognized as a Top Workplace in Florida

The Miami Foundation was recently named one of Florida's Best Companies To Work For - ranked in 13th place for medium-sized companies with up to 50 employees.

ST. PETERSBURG, FL, UNITED STATES, July 31, 2026 /EINPresswire.com/ -- The annual Best Companies To Work For In Florida list, featured in the August issue of [Florida Trend](#) magazine, ranks companies in small, medium, and large employer categories.

To participate, companies or government entities were required to have at least 15 workers in Florida and to be in operation for at least one year. Companies that chose to participate underwent an evaluation of their workplace policies, practices, philosophy, systems and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.

"Our annual 'Best Companies to Work For In Florida' program is a reminder that great workplaces don't happen by accident," says Florida Trend Executive Editor Amy Keller. "The companies that stand out are intentional about investing in their people, creating opportunities for them to grow and building environments where employees want to be. This year, we also explore how many are thoughtfully bringing people back to the office — not simply as a policy shift, but as a way to strengthen collaboration, mentorship and culture. Their examples offer a practical roadmap for any organization looking to attract, retain and inspire great talent."

"Standing out from their competition... this year's group of Best Companies To Work For In Florida set a path forward for others to follow," says Florida Trend President and Publisher David Denor. "Enterprising in their industries - these creative and inspiring companies recruit, retain and deliver distinctive workplace environments and employee benefits plans to keep their teams

engaged, involved and constantly collaborating. These dynamic and innovative organizations deliver a glimpse into future workplace environments.”

“What an honor to be recognized as one of Florida’s best places to work. Everything we do to strengthen Miami comes down to the power of the people involved - our team, our fundholders, and our partners,” said [Rebecca Fishman Lipsey](#), President and CEO at [The Miami Foundation](#).

The Best Companies To Work For In Florida program is managed by Florida Trend and Workforce Research Group and is endorsed by the HR Florida State Council.
