Real Solutions. Real People. Real Results.

DALLAS, TX, UNITED STATES, August 6, 2026 /EINPresswire.com/ -- PCMS, a leading provider of cloud-based enterprise software solutions for the insurance industry, today announced a strategic partnership with accūrō Solutions, a national provider of medical bill review and payment integrity services. accūrō Solutions has officially joined the PCMS Partner Ecosystem, expanding the ecosystem's ability to deliver integrated, transparent, and digitally modernized claims and managed care solutions for the property and casualty (P&C) insurance industry.

The partnership combines PCMS's configurable, Atlas, cloud-based platform with accūrō's advanced bill review, utilization review, and managed care capabilities. As P&C carriers accelerate digital transformation initiatives, the collaboration provides a unified approach to improving accuracy, reducing administrative burden, and enhancing overall claims performance.

"accūrō's focus on automation, compliance, and transparency matches our mission to give carriers a more streamlined way to work," said Mark Goldman, CEO at PCMS.

“We are thrilled to join the PCMS Partner Ecosystem,” said George Furlong, CSO at accūrō Solutions. “The P&C industry is rapidly embracing digital transformation, and carriers need integrated solutions that eliminate friction and improve outcomes. By combining our bill review and managed care technology with the PCMS platform, we’re giving insurers a single connection point that drives accuracy, efficiency, and better results for injured workers and claims teams.”
