

Asian American Chamber of Commerce Partners with Chalice MD to Offer Members Affordable Health and Retirement Benefits

Member Benefits include Affordable Fortune 500 Group Health and Retirement Benefits

MELBOURNE, FL, UNITED STATES, August 6, 2026 /EINPresswire.com/ --

The Asian American Chamber of Commerce (AACC) today announced a strategic partnership with Chalice MD to provide its members with access to comprehensive, cost-effective group health insurance solutions typically reserved for large Fortune 500 companies.

Through this collaboration, AACC members—primarily small and mid-size businesses—will gain access to high-quality, affordable healthcare benefits designed to improve employee well-being while reducing overall costs. The program aims to level the playing field by delivering enterprise-level coverage options that have historically been out of reach for smaller employers.

“Access to affordable, high-quality healthcare is one of the most critical challenges facing small and mid-size businesses today,” said Cindy Shao, President of the Asian American Chamber of Commerce. “As we continue

expanding our membership benefits, this partnership reflects our commitment to delivering innovative solutions for our members.” By partnering with Chalice MD, we are strengthening our members’ ability to support their workforce while enhancing their capacity to compete and grow.”

Chalice MD specializes in delivering modern healthcare solutions that combine transparent pricing, broad provider access, and tailored plan designs. This partnership will enable AACC members to offer benefits packages comparable to those of large corporations - helping to attract and retain top talent in an increasingly competitive labor market.

“Small and mid-size businesses deserve the same advantages as large enterprises when it comes to healthcare,” said Keith Gregg, CEO at Chalice MD. “We are proud to partner with the Asian American Chamber of Commerce to bring scalable, affordable, and high-quality group health solutions to its diverse and growing membership base.”

Key benefits of the partnership include:

- Access to group health plans with competitive, transparent pricing with an average savings between 30-40%
- Comprehensive coverage options comparable to Fortune 500 offerings
- Free 401k Retirement Plans
- Free Employment Practices Liability Insurance (EPLI)
- Free Cyber Liability Insurance
- No minimum of covered insured or participation
- Human Resources and support
- Enhanced ability to recruit and retain employees
- Open enrollment all the time

The program is expected to roll out to AACC members beginning in August 2026 , with educational resources and enrollment support provided to ensure a seamless transition.
