President & CEO of CanAm  
Enterprises*

Approved in only seven months, the Form I-956F confirms that the investment complies with the requirements of the Regional Center Program under the [EB-5 Reform and Integrity Act of 2022](#). It is also binding for the adjudication of related Form I-526E petitions filed by investors in the partnership.

"This approval reflects the disciplined approach we bring to every project we finance," said Tom Rosenfeld, Founder, President & CEO of CanAm Enterprises. "The 360 Broadband project aligns strong investment fundamentals with the immigration goals of our investors, and we are proud to reach this milestone on their behalf."

Christine Chen, Chief Operating Officer of CanAm Enterprises, added: "This approval reflects the strength of the project's structure and our experience operating under the RIA. We have focused on investing in rural broadband projects in unserved and underserved areas across multiple states, with 360 Broadband the 6th such project we have successfully had approved by USCIS and funded. We remain committed to transparency and to supporting our investors throughout their EB-5 journey."

The 360 Broadband approval adds to CanAm's [portfolio of rural EB-5 projects](#) financed under the RIA.
