SAINT PAUL, MN, UNITED STATES, August 5, 2026 /EINPresswire.com/ -- Andrade Law PLLC, a Saint Paul personal injury law firm, has opened a second office in Maplewood, Minnesota, expanding access to legal services for individuals and families throughout the eastern Twin Cities metropolitan area.

“People frequently contact us during a difficult and uncertain period in their lives,” said attorney Gabriel Andrade. “They deserve honest communication, answers they can understand, and an attorney who will take the time to listen and prepare their case properly.”

Personal Injury, Workers’ Compensation, and Insurance Representation

Andrade Law represents individuals and families in matters involving:

- Car, truck, motorcycle, bicycle, pedestrian, and rideshare accidents
- Dog bites and animal-related injuries
- Slip-and-fall and premises liability claims
- Wrongful death claims
- Brain, spinal cord, and catastrophic injuries
- Injuries involving children

- Workers' compensation claims
- Uninsured and underinsured motorist claims
- Minnesota no-fault and insurance coverage disputes

Workers' compensation claims proceed under Minnesota's separate workers' compensation system, which has its own procedures and deadlines. Andrade Law handles these matters alongside its personal injury practice.

A Location Connected to the Eastern Twin Cities

The new [Maplewood office is located on County Road D East](#) near the White Bear Avenue retail corridor and Maplewood Mall, with convenient access to Highway 36 and Highway 61. The official location address is 2079 County Rd D E, Maplewood, MN 55109.

The location reflects the local nature of the firm's work. Andrade Law's cases are often connected to the intersections and highways where collisions occur, the emergency rooms and clinics where clients receive treatment, the police departments responsible for crash reports, and the Ramsey County District Court in downtown Saint Paul, where many local cases proceed.

English, Spanish, and Interpreter Assistance

Andrade Law communicates directly with clients in English and Spanish and maintains a dedicated Spanish-language line at (651) 645-0106.

For other languages, the firm may coordinate interpreter assistance for law-firm communications through Minnesota Language Connection, an independent Minnesota interpreting agency. Assistance may be available for languages including Hmong, Somali, Karen, Oromo, Vietnamese, Russian, Arabic, Amharic, Tagalog, Khmer, and Lao.

The interpreter's role is to assist with communication. Andrade Law remains responsible for legal advice and representation. Availability depends on language, scheduling, and case needs. Medical providers may maintain separate interpreter services for medical appointments.

Experience and Professional Background

Before establishing Andrade Law, Gabriel Andrade practiced in insurance-defense litigation, representing individuals, businesses, and insurers in personal injury and civil disputes. That experience provides insight into how insurance companies investigate, evaluate, negotiate, and defend claims.

Andrade now uses that perspective to help injured clients prepare their cases, respond to

insurance-company arguments, and make informed decisions.

He earned his law degree from Mitchell Hamline School of Law, where he was named to the Dean's List and completed the Law and Business Certificate program. He was also part of the team that won the 2020 Hispanic National Bar Association National Moot Court Competition.

Andrade earned his undergraduate degree in finance from the University of St. Thomas. He is admitted to practice in Minnesota state courts and the United States District Court for the District of Minnesota.
