

# CitroTech Joins Federal Alliance for Safe Homes, Strengthening Commitment to Community Fire Prevention & Home Resilience

*Membership Supports WildfireStrong – No Fuel. No Fire.® Initiative to Advance Proactive Wildfire Risk Efforts Nationwide*

OCEANSIDE, CA, UNITED STATES, August 4, 2026 /EINPresswire.com/ -- [CitroTech Inc.](#) (NYSE American: CITR), a specialty chemical company delivering the only long-term fire inhibitor recognized by the Environmental Protection Agency, today announced it has joined the Federal Alliance for Safe Homes (FLASH), the nation's leading nonprofit dedicated to helping homeowners, communities, builders, and policymakers better prepare for and withstand disasters. As a Corporate Member, CitroTech will support FLASH efforts to advance wildfire preparedness, home resilience, and risk-reduction strategies across the United States, including support of the organization's WildfireStrong – No Fuel. No Fire.® campaign (WildfireStrong).

CitroTech is a [B2i Digital Featured Company](#). See the company's profile at <https://b2idigital.com/citrotech>

CitroTech develops the only long-term fire inhibitors recognized under the EPA Safer Choice program, designed to help render lumber, building materials, vegetation, and other cellulosic materials non-flammable. Bringing this solution to FLASH and the WildfireStrong initiative, the

In the top left corner, the 'b2i digital' logo is displayed next to the text 'FEATURED COMPANY'. The 'CitroTech' logo is prominently displayed in the center, with 'Citro' in orange and 'Tech' in white. At the bottom, an orange banner contains the text 'NYSE AMERICAN: CITR'.

**NYSE AMERICAN: CITR**

CitroTech has joined the Federal Alliance for Safe Homes (FLASH) to advance wildfire preparedness, resilience, and proactive fire prevention across the United States.

company will work alongside more than 100 public- and private-sector organizations advancing practical, proactive, and environmentally sustainable approaches to wildfire mitigation, community resilience, and fuel management.

"As wildfires continue to threaten homes, businesses, and critical infrastructure nationwide, it's time to shift more of our focus from responding to wildfires to preventing them," said Wes Bolsen, Chief Executive Officer of CitroTech. "FLASH has been a leading advocate for resilience and preparedness for decades, and we're proud to support its mission while bringing forward solutions with a proven ability to reduce fuel loads and improve community protection before disasters occur."

CitroTech has also developed the "CitroSafe®" system, which can be installed on and around homes and allows owners to remotely deploy its non-toxic fire-inhibitor solution, reducing the flammability of vegetation and surrounding materials as wildfires approach.

"We are pleased to welcome CitroTech as a Corporate Member," said Leslie Chapman-Henderson, FLASH President and CEO. "Wildfire resilience requires innovation, collaboration, and proactive solutions that help communities better prepare for growing risks. CitroTech's

focus on prevention and mitigation aligns strongly with the goals of our resilience mission."

FLASH Corporate Members support the organization's work to strengthen homes and safeguard families from natural disasters through education, outreach, and cross-sector collaboration. To learn more about FLASH and WildfireStrong – No Fuel. No Fire.®, visit [FLASH.org](https://FLASH.org)
