Premier Workspaces*

The 16,296 square-foot center features more than 70 fully furnished private offices designed to accommodate individuals and small teams. Clients also have access to two professionally appointed meeting rooms available by the hour, day offices, virtual office plans, receptionist support, mail services, business-grade connectivity, and Premier Workspaces' nationwide network of locations.

"Bellevue continues to be one of the strongest business markets in the Pacific Northwest, attracting innovative

companies and talented professionals from around the world," said Amy Fuller, President of Premier Workspaces. "Our new Timber Springs location gives businesses the flexibility and professional environment they need while providing the hospitality and support that allow their teams to remain focused and productive. We are excited to expand our presence in this exceptional market."

Premier Workspaces has entered into an 11-year lease with American Assets Trust Management, reflecting the company's long-term confidence in Bellevue and the continued demand for

flexible, fully serviced workspace throughout the Greater Seattle area.

The Timber Springs location further strengthens Premier Workspaces' presence in Washington, joining the company's existing locations in Bellevue, Bothell, and Seattle. Together, these four locations provide businesses with greater flexibility and workspace options throughout the region.

Situated near Interstate 405 and State Route 520, Timber Springs offers convenient access to downtown Bellevue, Seattle, Redmond, and many of the region's leading technology and professional services employers. The campus features abundant free parking, outdoor seating areas, bicycle storage, and an on-site fitness center with showers. It is also within walking distance of the future Spring District light rail station, with nearby dining, retail, and business amenities.

The new Premier Workspaces location offers:

- More than 70 fully furnished private offices
- [Professional meeting rooms](#) are available by the hour or day
