

CCS Named No. 4670 on 2026 Inc. 5000 List, the Most Prestigious Ranking of America's Fastest-Growing Private Companies

CCS Recognized for 24% Three-Year Revenue Growth, Earning a Place Among the Nation's Most Successful Independent Businesses

HAUPPAUGE, NY, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- [CCS](#) today announced it

“

This recognition belongs to our employees, whose passion and commitment to excellence have fueled our growth, and to our clients, who place their trust in CCS as a long-term technology partner”

Jay Whitchurch, CEO of CCS

has moved up in ranking to No. 4670 on the 2026 Inc. 5000 list, the annual list of the fastest-growing private companies in America. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, Chobani, Oracle, and Patagonia.

"Advancing on the Inc. 5000 list is an exciting milestone for CCS and reflects the momentum we've built over the past

several years," said Jay Whitchurch, CEO of CCS. "As organizations continue to increasingly rely on technology as a strategic driver for their business, we've remained committed to investing in the expertise, security, and innovative solutions our clients need to succeed. This recognition belongs to our employees, whose passion and commitment to excellence have fueled our growth, and to our clients, who continue to place their trust in CCS as a long-term technology partner."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

“Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still,” says Mike Hofman, editor-in-chief of Inc. “Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement.”

Inc. will celebrate the honorees at the 2026 Inc. 5000 Conference & Gala, taking place October 14–16 in Dallas, Texas and the top 500 will be listed in the Fall issue of Inc. Magazine. Tickets are on sale now.

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
