"Twenty years has taught me that this business has never really been about mortgages. It's about helping people through one of the biggest financial decisions of their lives. Whether it's a first time homebuyer, a growing family, or a military family relocating to Fort Meade, I want every client to feel informed, confident, and know they have a trusted mortgage advisor they can count on long after closing. That's how I've built my business, one relationship at a time." — John Shea

Shea has been recognized as a member of Bay Capital Mortgage's Chairman's Club or President's Club every year since 2019, honoring the company's top performing loan officers. He has also been a preferred partner with Chesapeake Real Producers since 2019 and has earned more than 180 five star Google reviews, reflecting his commitment to outstanding client service

and the long term relationships he has built with homebuyers, homeowners, and referral partners.

Much of Shea's business comes from repeat clients and referrals, reflecting the long term relationships he has built throughout his career.
