

An Unholy Alliance Is Driving Recent Surge of Political Candidates Embracing Socialism in the United States

Cultural Anthropologist Michael A. Youssef explains the context of this dramatic shift in the American political scene

ATLANTA, GA, UNITED STATES, August 5, 2026 /EINPresswire.com/ -- Across the United States and the Western World, a partnership has emerged between secular Progressivism and Islamists. Though their values are diametrically opposed, they have united around a shared enemy: the Judeo-Christian civilization that built the free world.

“We are seeing this increasingly as these new and dangerous allies take over the Democratic party primaries this week,” said [Michael A. Youssef](#), PhD, President of [Leading The Way](#). “This terrifying situation results generally from a woeful ignorance and years of indoctrination instead of education in schools and colleges. These trends are playing into the hands of those who want to remake America into their own Marxist, Islamist image.”

In his 2026 book [An Unholy Alliance](#), Dr. Youssef shares the background and context of this movement and the ideological and financial machinery driving it. He unveils

how the Islamist political influence is moving from agitation to organization, from protest to electoral power, and from temporary coalitions to institutional footholds.

“Political Islam seeks to unite their form of religious, political, judicial, and social authority beneath Sharia,” added Dr. Youssef. “They seek to use constitutional freedoms as temporary instruments for acquiring the power necessary to replace the constitutional order itself.”
