

BlueGrace Logistics Expands with Acquisition of Truk TMS

Truk TMS customers will gain full access to BlueGrace's complete suite of Managed Logistics®, LTL, truckload and parcel, supported by data-driven optimization.

TAMPA, FL, UNITED STATES, August 6, 2026 /EINPresswire.com/ -- BlueGrace Logistics, (BlueGrace), a leading [Managed Logistics](#) (3PL) provider operating throughout North America, announced today the acquisition of Truk TMS, a logistics provider that has operated as a BlueGrace Logistics partner. The acquisition gives its customers full access to BlueGrace's complete suite of Managed Logistics®, LTL, truckload and parcel, supported by advanced technology and data-driven optimization.

Truk TMS has built a loyal customer base, offering LTL, truckload and [supply chain management](#) services throughout the United States, Canada, and Mexico.

"Truk TMS has operated as one of our most trusted partners, and this acquisition is simply the natural next step in that relationship," said Bobby Harris, Founder and CEO of BlueGrace Logistics. "Bringing them fully into the BlueGrace family means their customers get full access to our Managed Logistics platform, our technology, our carrier network, and our scale, without losing the service they've always counted on."

"Becoming part of BlueGrace formally is a proud moment for our whole team," said Mark Barnes, CEO of Truk TMS. "Our customers get the same team and the same service they've always counted on, now backed by BlueGrace's full Managed Logistics® platform and the trusted [BlueShip](#)® technology behind it."

BlueGrace expects to integrate day-to-day operations into its broader organization, ensuring continuity for customers and a smooth alignment of services.
