

GABBY B AND CACAU CHUU UNITE BRAZILIAN FUNK AND GLOBAL POP ON NEW SINGLE 'BOTADINHA'

Produced by DJ Biel Bolado and Tutu No Beat, the high-energy collaboration arrives August 7 and previews Funklândia: Rooted (Deluxe)

MIAMI, FL, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- Brazilian-American recording artist [Gabby B](#) joins forces with rising Brazilian funk star [Cacau Chuu](#) for “BOTADINHA,” an infectious new single now available across all digital streaming platforms.

Produced by DJ Biel Bolado and viral hitmaker Tutu No Beat, “BOTADINHA” combines the rhythm and intensity of Brazilian brega funk with Gabby B’s international pop sensibility. Driven by an instantly memorable chorus and energetic, dance-forward production, the song was created to capture the spirit behind some of Brazil’s most successful viral funk records.

“BOTADINHA” originated during Gabby B’s writing and recording trip to São Paulo, where she collaborated with Love Funk, one of Brazil’s leading baile funk labels. During the sessions, Gabby connected with Cacau Chuu, Tutu No Beat and DJ Biel Bolado, bringing together a group of artists whose distinct styles naturally complemented one another.

The resulting collaboration blends Gabby B’s cross-cultural approach to pop music with the raw energy, bold production and unmistakable rhythms of São Paulo’s contemporary funk scene.

Cacau Chuu has quickly emerged as one of the breakout female voices in Brazilian funk. Her music has fueled multiple viral moments on TikTok, including “QUE LOUCURA,” which has

inspired more than 17 million creations; “FUDER COM OS DA CENA,” with more than nine million; and “Ela Ké Cavucadinha,” with more than six million. Several of her additional sounds have also generated millions of user-created videos across the platform.

Tutu No Beat has similarly established himself as one of brega funk’s fastest-rising producers through a growing catalog of viral collaborations, including the widely successful “FUDER COM OS DA CENA.” Together with DJ Biel Bolado, he provides “BOTADINHA” with its explosive percussion, hypnotic rhythm and dance-floor-ready sound.

The single follows the release of Gabby B’s project Funklândia: Rooted and marks the next chapter in her growing connection to Brazil’s contemporary funk movement. “BOTADINHA” will also appear on the forthcoming Funklândia: Rooted (Deluxe), continuing the project’s mission of introducing authentic Brazilian funk to international audiences through collaborations with some of the genre’s most exciting emerging artists and producers.

Through Funklândia, Gabby B continues to celebrate the sounds and culture influencing Brazil’s current musical landscape while creating a bridge between Brazilian funk and the global pop market.

“BOTADINHA” by Gabby B and Cacau Chuu is now available on all major digital streaming platforms beginning August 7.
