

Dauids & DeLaat Launches Advanced Niagara Real Estate Search Portal

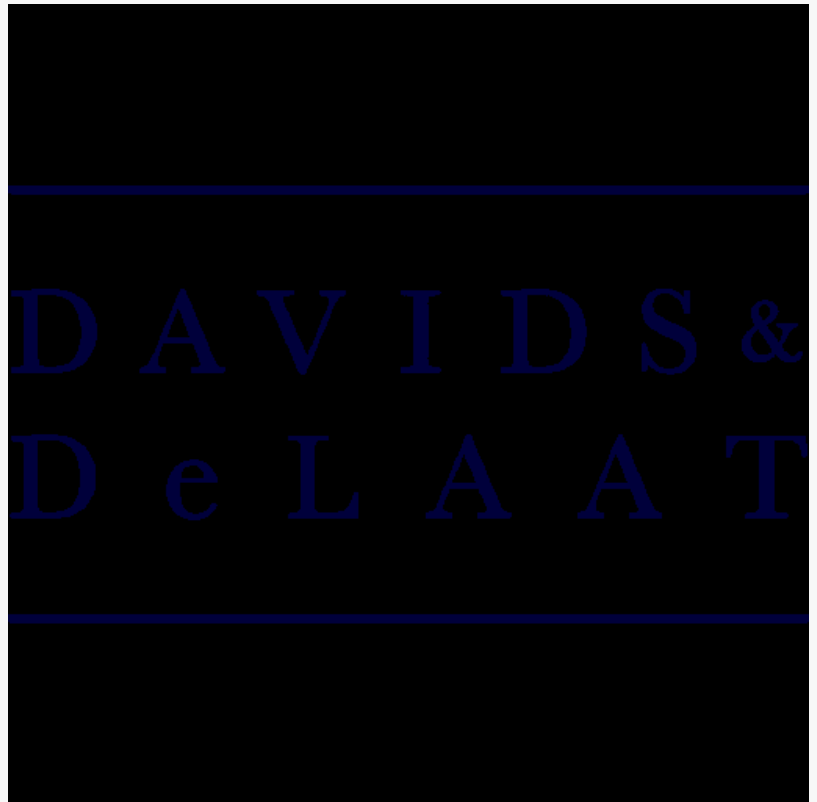

Niagara's #1 performing REMAX team unveils a custom MLS search portal with 14,000+ listings, map search & sold data for the Niagara and Hamilton regions

ST. CATHARINES, ONTARIO, CANADA, August 7, 2026 /EINPresswire.com/ -- Dauids & DeLaat, [the #1 performing team of Niagara Region REALTORS®](#) at REMAX Niagara Realty Ltd., Brokerage, has announced the launch of its new website, www.dauidsdelaat.com — a [custom MLS search portal](#) designed specifically for home buyers and sellers across the Niagara and Hamilton regions.

The new platform gives visitors direct access to more than 14,000 Niagara-area homes for sale, searchable through an interactive Map Search, refined filters for beds, baths, and price, and dedicated sections for open houses, new homes, and rental listings. The portal also includes a database of more than 20,000 sold properties, giving buyers and sellers a clear, data-driven view of what homes are actually selling for in their neighbourhood.

Unlike national listing portals that treat smaller markets as an afterthought, DauidsDeLaat.com was engineered around hyper-local coverage. The portal serves every corner of the Niagara Region — including St. Catharines, Niagara Falls, Niagara-on-the-Lake, Welland, Thorold, Fort Erie, Grimsby, Lincoln, Pelham, Port Colborne, Wainfleet, and West Lincoln — and extends into Hamilton, Brantford, and Haldimand for buyers searching across the broader region.

"The vast majority of home buyers start their search online, but most search sites were never built with markets like Niagara in mind," said Shawn DeLaat of Dauids & DeLaat. "We created

Dauids & DeLaat — the #1 performing team of Niagara Region REALTORS(R)

DavidsDeLaat.com so local buyers and sellers finally have a search experience designed around this market — live MLS listings, real sold data, and every community from St. Catharines to Hamilton in one place. It helps people make faster, better-informed real estate decisions."

Beyond search, the platform equips sellers and homeowners with a suite of practical tools. Visitors can request a Free Home Evaluation with ongoing monthly market reports, calculate payments with a built-in mortgage calculator, and download the team's Buyer's Handbook, Seller's Handbook, and Home Seller's Checklist. A regularly updated blog and market reports section keeps residents informed on conditions across the Niagara and Hamilton real estate markets.

The launch reflects the team's continued investment in the region it serves. Recognized as the top-performing team among Niagara Region REALTORS®, Davids & DeLaat has built its reputation on local expertise, responsive service, and results — including transactions completed in as little as 14 days for clients who needed to move quickly.
