

Mentavi Health Welcomes Leslie Stahlin as Account Executive, Expanding Its Partnership and Growth Team

Mentavi Health announced the appointment of Leslie Stahlin as Account Executive

GRAND RAPIDS, MI, UNITED STATES, August 6, 2026 /EINPresswire.com/ -- Today, [Mentavi Health](#), an evidence-based telehealth company specializing in mental health care, announced the appointment of Leslie Stahlin as Account Executive.

In her role, Stahlin is focused on expanding strategic partnerships and increasing access and awareness of Mentavi's evidence-based assessment and diagnostic solutions that help individuals gain insight into their mental health needs.

Stahlin comes to the team with more than 20 years of industry experience, having served in leadership, operations, care transitions, and business development. She has experience working in physician practices, senior living facilities, pharmacy, and health care technology.

"Healthcare organizations need trusted partners to help expand access to evidence-based behavioral health care," said Keith Brophy, CEO of Mentavi Health. "Leslie brings decades of healthcare experience and a deep, patient-centered focus that aligns perfectly with how we build partnerships. Her leadership will be invaluable as we support growing demand across provider, employer, and higher education sectors."

Prior to joining Mentavi Health, Stahlin served as a Care Transitions Manager at CarePatrol of Western Michigan. Additionally, she held roles as an Executive Director for assisted living communities, Regional Director of Sales and Marketing and Practice Manager for an internal medicine practice.

"Throughout my career, I have been passionate about building strategic partnerships,

Mentavi Health provides evidence-based online mental health care across most U.S. states. Its Diagnostic Evaluation for adult ADHD, validated in The Journal of Clinical Psychiatry, supports assessment of anxiety, depression, and related conditions.

strengthening referral relationships, developing growth strategies, and helping organizations improve patient and client access to services," said Stahlin. "I'm excited to carry that skillset into Mentavi Health and help expand access to clinician-reviewed behavioral health evaluations."

Outside of professional responsibilities, Leslie is a proud wife and mom of three. She enjoys staying active, cooking, and spending time with her family.

"I believe that genuine relationships are at the heart of everything we do," continued Stahlin. "Whether in my personal life or throughout my career, my goal has always been to lead with integrity, compassion, and a servant's heart while helping others navigate challenges and connect with the resources they need."

About Mentavi Health

Founded in 2018 as ADHD Online, and recognized as part of Michigan Celebrates Small Business's 2022 "50 Companies to Watch" cohort, Mentavi Health provides evidence-based online mental health care in most U.S. states, for adults (18+), guided by rigorous clinical and regulatory standards. Its Diagnostic Evaluation (for ages 6+) is clinically validated for the diagnosis of ADHD in adults against an in-person clinical interview, with results published in The Journal of Clinical Psychiatry (2025). The Diagnostic Evaluation is also used by licensed clinicians to support assessment of other mental health conditions, including anxiety and depression. Mentavi delivers affordable, evidence-based care, offering diagnostic evaluations and access to additional care options delivered by licensed clinicians. Guided by clinical rigor, accessibility, and trust, Mentavi helps adults connect to evidence-based mental health care. Availability varies by state. Learn more at mentavi.com.
