

Move Happy Named a Top-Rated Moving Company in Hawaii

KAPOLEI, HI, UNITED STATES, August 6, 2026 /EINPresswire.com/ -- Move Happy, a full-service moving and storage company with over three decades of operational experience, has been named one of the top-rated moving companies in Hawaii, underscoring its growing reputation for reliability, transparent pricing and customer-focused service across the islands.

With more than 250,000 completed moves since 1991, Move Happy has established itself as a trusted partner for households, businesses and government agencies seeking [trusted Honolulu movers](#) and comprehensive relocation support throughout the state. The company's portfolio spans local residential moves, commercial and industrial relocations, military and government moves, as well as interstate and international projects requiring heightened planning and coordination.

The top-rated recognition reflects Move Happy's emphasis on meticulous pre-move planning, safety protocols and systems-driven operations designed to reduce downtime, damage and disruption. Customers consistently cite the company's punctuality, clear communication and attention to detail as key reasons for its strong ratings, which include a 4.9/5 internal satisfaction score and a 4.3 Google rating from more than 180 public reviews.

Operating as a fully [licensed and insured Hawaii](#) moving provider, Move Happy structures its services around guaranteed, upfront pricing that consolidates labor, travel, tolls, tickets and fuel into a single rate. Packing services and building protection measures are included at no additional cost, reflecting the company's focus on safeguarding customers' property and minimizing risk throughout each stage of the move.

Move Happy's capabilities are supported by approximately 250,000 square feet of secure, state-of-the-art storage space, featuring advanced inventory tracking technology suitable for household goods, commercial equipment, documents and specialized assets. These facilities enable flexible short- and long-term storage options for customers who are relocating, renovating or restructuring their operations.

The company also offers guaranteed delivery dates for long-distance relocations, 24/7 customer service support and weekly training programs for crew members, reinforcing a culture of continual improvement and professional development. This approach is designed to meet the demanding timelines and security expectations of corporate, industrial and military clients while

maintaining a consistent, high-quality experience for residential customers.

As demand grows for dependable [local Hawaii movers](#), Move Happy's recognition as a top-rated provider highlights the role that process discipline, transparent communication and customer care play in delivering moves that are fast, safe, worry-free and fairly priced across town, across the country or overseas. About Move Happy Group: Move Happy Group is a full-service moving and storage company that has been relocating individuals, families, businesses and government agencies since 1991. With more than 250,000 moves completed over three decades, the company combines experience with systems-driven operations to manage local, interstate, international, commercial and military relocations. Move Happy Group operates approximately 250,000 square feet of secure, state-of-the-art storage facilities, supported by advanced inventory tracking technology for both household goods and commercial assets. The company's core values center on transparency, care and protection, reliability, continual improvement and customer-centric service. Move Happy Group provides guaranteed, upfront pricing that consolidates labor, travel, tolls, tickets and fuel into a single rate, with comprehensive packing and building protection included at no additional cost. Its trained crews follow detailed move plans designed to enhance safety, efficiency and punctuality, including guaranteed delivery dates for long-distance projects. Backed by strong customer reviews and ongoing weekly staff training, Move Happy Group focuses on minimizing stress, downtime and risk, viewing each job as more than a move and instead as the careful transport of a customer's life or business to its next destination.
