

PatchMaster Expands into Southwest Florida with Specialized Drywall Repair and Interior Painting Services

George Doulos combines hands-on leadership with a commitment to exceptional customer experiences throughout Naples, Fort Myers, and surrounding communities.

NAPLES, FL, UNITED STATES, August 17, 2026 /EINPresswire.com/ --

PatchMaster®, the nation's leading [drywall repair](#) and professional paint finishing franchise, announced today the opening of PatchMaster Southwest Florida (SWFL), owned and operated by local entrepreneur George Doulos. The new franchise serves customers across Naples, Fort Myers, Marco Island, Bonita Springs, Sanibel Island, South Cape Coral, and Estero.

As an owner-operator, Doulos takes a hands-on approach to the business, working directly with customers to ensure quality, reliability, and a seamless service experience. His diverse professional background, spanning construction, hospitality management, high-end retail sales, and real estate, has equipped him with a strong foundation in customer service, operations, and relationship-building.

"All of the industries I've worked in revolve around people, service, and organization," said Doulos. "That experience, combined with the relationships I've built in Southwest Florida, gives me a strong foundation to grow this business and deliver a level of service customers can trust."

PATCHMASTER™
THE DRYWALL REPAIR SPECIALISTS

George's ability to connect with customers & deliver consistent, high-quality results aligns perfectly with our brand standards. We're excited to see him build a trusted presence in Southwest Florida."

Paul Ferrara, President and CEO, PatchMaster

Originally from New York City, Doulos is a first-generation Greek American who relocated to Naples in 2022. Since then, he has built an extensive local network and developed a deep understanding of the Southwest Florida drywall repair market, insights he plans to leverage to grow PatchMaster Southwest Florida and serve the community.

PatchMaster specializes in drywall repair, including patching holes, cracks, and water damage, matching textures, and interior [painting](#). The company provides a fast, professional alternative to both DIY repairs and large-scale contractors, offering efficient solutions tailored to homeowners, property managers, and businesses.

"George's customer-first mindset and hands-on approach make him a strong addition to the PatchMaster network," said Paul Ferrara President and CEO of PatchMaster. "His ability to connect with customers and deliver consistent, high-quality results aligns perfectly with our brand standards. We're excited to see him build a trusted presence in Southwest Florida."

Doulos launched PatchMaster Southwest Florida with a clear vision: to build a successful business while giving back to his community and creating a service that customers and partners can depend on. As the business grows, he plans to expand his team while maintaining the high level of service that comes with direct owner involvement.
