"Reaching more than \$3 million in charitable giving reflects what can be accomplished when a community comes together around a shared purpose," said Marvin Beatty, Vice President of Community and Public Relations. "For 17 years, this event has been about investing in Detroit and the organizations working every day to create opportunities and improve lives."

As part of this year's fundraising efforts, Arise Detroit! received \$60,000 to continue its work empowering Black, Brown and underserved communities through neighborhood engagement, volunteerism and collaborative solutions that address critical issues including literacy, youth violence, substance and domestic abuse, and unemployment.

Brilliant Detroit also received \$60,000 to support its mission of helping children, ages birth through eight, thrive by transforming refurbished homes into welcoming neighborhood hubs that provide early learning, health and family support programs.

"Our annual Charity Golf Outing has become one of the most meaningful traditions at Hollywood Casino Greektown because it reflects who we are as an organization," said John Drake, General Manager for Hollywood Casino Greektown. "While we're proud to celebrate surpassing \$3 million in giving over the past 17 years, what matters most is the lasting impact those dollars have made for local nonprofits and the people they serve."
