Shores Automotive Expands Mercedes-Benz Repair Capacity in Boca Raton

Shores Automotive is expanding its Mercedes-Benz repair capacity in Boca Raton, adding dedicated service space and factory XENTRY diagnostics.

BOCA RATON, FL, UNITED STATES, September 4, 2026 /EINPresswire.com/ -- Shores Automotive Expands Mercedes-Benz Repair Capacity to Serve More Boca Raton Owners

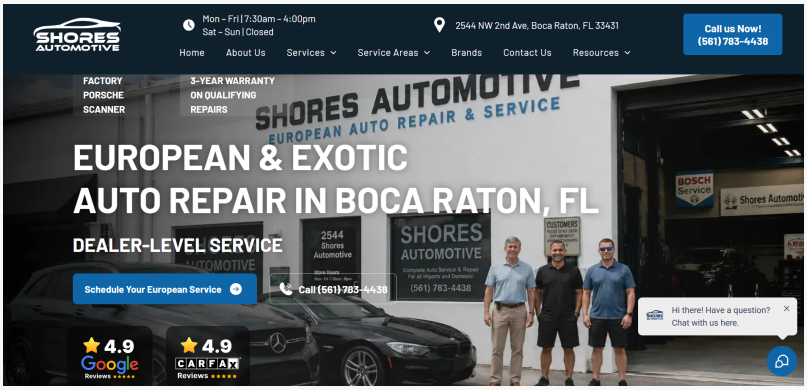

BOCA RATON, FL - Shores Automotive, a premium European and exotic auto repair shop in Boca Raton, has expanded its Mercedes-Benz repair capacity. The shop is dedicating more of its facility to serving the growing number of Mercedes-Benz owners across Palm Beach County.

The expansion gives Mercedes-Benz service a larger footprint within the shop, supporting more vehicles and shorter scheduling windows for luxury sedan, SUV, and AMG performance owners. Repairs are backed by factory XENTRY software. Technicians use this software to address module communication, AIRMATIC air suspension, engine, and transmission concerns that generic scan tools cannot fully isolate. Additional information is available on the company's page for Mercedes-Benz repair and service in Boca Raton, FL.

Shores Automotive has served European and exotic vehicle owners in Boca Raton since 2012. The shop provides a dealer alternative for drivers who want factory-level capability without a trip to the franchised dealership. Qualifying repairs are backed by a 3-year/36,000-mile nationwide warranty. OEM or OE-equivalent parts are standard on every repair, and the shop maintains a 4.9 Google rating from customers across Palm Beach County. Loaner cars, valet pickup and drop-off, early drop-off, and after-hours pickup remain available for owners scheduling Mercedes-Benz service.

The expanded capacity arrives ahead of the region's peak service season, when seasonal

residents return to South Florida and demand for luxury vehicle maintenance rises. The added Mercedes-Benz space is intended to support scheduling and turnaround through the busier months.

A Message From the Owner
"We're expanding what we can do for Mercedes owners in Boca," said Billy Craven, owner of Shores Automotive. "Dedicating more of the shop to these cars means we can take on more of them and still handle each one the right way, from AMG performance work to AIRMATIC suspension and the electronics these vehicles are known for. Our customers get the same diagnostic depth as the dealer, with the communication and personal service we've built our reputation on."

About Shores Automotive
Shores Automotive is a premium European and exotic auto repair shop in Boca Raton, Florida. The shop serves owners of BMW, Porsche, Mercedes-Benz, Audi, Land Rover, Range Rover, Maserati, Bentley, Rolls-Royce, Jaguar, Alfa Romeo, Aston Martin, and MINI vehicles.

> We're expanding what we can do for Mercedes owners in Boca. More dedicated space for these cars means dealer-level care, from AMG to AIRMATIC, without the dealership."
>
> *Billy Craven, Owner, Shores Automotive*

The shop pairs dealer-level diagnostic software, including factory XENTRY for Mercedes-Benz, with OEM parts. Qualifying repairs include a 3-year/36,000-mile warranty, and the shop has a 4.9 Google rating from customers across Palm Beach County. Serving Boca Raton, Delray Beach, Lighthouse Point, Highland Beach, and the surrounding corridor, Shores Automotive is located at 2544 NW 2nd Ave, Boca Raton, FL 33431.
