

Dallas Men's Health Named #1 Men's Health Clinic in Dallas–Fort Worth

Physician-led men's wellness and regenerative medicine clinic earns Gold in the Men's Health category of the 2026 DFW Favorites awards

DALLAS-FORT WORTH, TX, UNITED STATES, August 6, 2026

/EINPresswire.com/ -- Dallas Men's Health has been named the Gold (first-place) winner in the Men's Health category of the 2026 DFW Favorites awards DFW Favorites, recognizing the clinic as the Dallas–Fort Worth community's top choice for men's health and wellness.

Dallas Men's Health, voted the #1 men's health clinic in Dallas–Fort Worth, 2026 DFW Favorites Gold winner.

The DFW Favorites program recognizes the businesses readers and residents across North Texas rate most highly in their categories, making the award a direct reflection of patient trust and community reputation rather than industry self-nomination.

“

Our team has built this practice around treating men with discretion, expertise, and genuine care. Being voted first in Dallas–Fort Worth tells us that approach is resonating.”

*Dr. Michael G. Wierschem,
MD, MBA, FACS*

Dallas Men's Health is a physician-led clinic offering a comprehensive, male-focused range of services — including testosterone replacement and hormone optimization, [erectile dysfunction](#) and sexual health treatment, regenerative medicine, medical weight loss, and hair restoration — serving patients throughout Dallas–Fort Worth and beyond.

"This recognition means a great deal because it comes directly from the community we serve," said Dr. Michael G.

Wierschem, MD, MBA, FACS, President and CEO of Dallas Men's Health. "Our team has built this practice around treating men with discretion, expertise, and genuine care. Being voted first in Dallas–Fort Worth tells us that approach is resonating."

The clinic is led by [Dr. Wierschem](#), a board-certified Urologist and Fellow of the American College of Surgeons (FACS), and is known for combining advanced, evidence-based treatments with a concierge-level patient experience.
