

Automated AV Celebrates Eighth Consumer Choice Award Win for Home Automation Excellence in Regina

REGINA, SASKATCHEWAN, CANADA, August 12, 2026 /EINPresswire.com/ -- Consumer Choice Award is proud to announce that Automated AV has been named the 2026 Consumer Choice Award winner in the Home Automation Systems category. This marks the company's eighth Consumer Choice Award recognition, reflecting its long-standing commitment to innovation, technical expertise, and exceptional customer service.

As the leader in home and business automation, Automated AV specializes in the design and installation of integrated technology systems that

enhance comfort, convenience, entertainment, security, and energy efficiency. From home theatres, distributed video, and multi-room audio to lighting and climate control, motorized window coverings, retractable solar screens, alarm systems, CCTV, structured wiring, and more, the company delivers customized automation solutions for residential and commercial clients alike.

“

We're grateful to our clients for their continued trust and support, and we're committed to staying at the forefront of technology while delivering personalized solutions and exceptional service.”

Automated AV Team

“Winning our eighth Consumer Choice Award is a tremendous honour,” said the Automated AV team. “We're grateful to our clients for their continued trust and support, and we're committed to staying at the forefront of technology while delivering personalized solutions and exceptional service.”

What sets Automated AV apart is its commitment to staying at the forefront of automation technology while

meeting the ever-changing needs of its customers. The company works closely with homeowners, builders, and business owners to design intuitive, reliable systems that seamlessly integrate into everyday life and evolve alongside changing technology.

Whether it's a new custom home, renovation, commercial space, or retrofit, every project is approached with careful planning, expert installation, and attention to detail. By understanding each client's goals from the outset, Automated AV delivers customized automation systems that are designed to grow with changing technology while enhancing everyday living and long-term property value.

Automated AV
Automation by Imagination...

As smart home technology continues to evolve, Automated AV remains focused on delivering innovative solutions backed by expert installation, ongoing support, and a customer-first approach. Its eighth Consumer Choice Award reinforces the company's reputation as a trusted leader in home automation throughout Regina.

The Consumer Choice Award is based on independent market research evaluating reputation, customer satisfaction, and overall excellence. Automated AV's eighth Consumer Choice Award highlights its continued dedication to providing innovative automation solutions and outstanding customer experiences.
