

Eastside Audiology & Rehabilitation Celebrates 20 Years of Care With 11th Consumer Choice Award in Regina

REGINA, SASKATCHEWAN, CANADA, August 12, 2026 /EINPresswire.com/ -- Consumer Choice Award is proud to announce that Eastside Audiology & Rehabilitation has been named the 2026 Consumer Choice Award winner in the Hearing Services category. The recognition marks the clinic's 11th Consumer Choice Award and comes as Eastside Audiology celebrates 20 years of providing patient-centered hearing care to the Regina community.

Over the past two decades, Eastside Audiology & Rehabilitation has built its reputation by putting patients before sales. From children experiencing hearing challenges to older adults managing hearing loss, the clinic's team of Doctors of Audiology, Audiologists, and Hearing Aid Practitioners is committed to providing personalized care tailored to each individual's needs.

“Celebrating 20 years in business while receiving our 11th Consumer Choice Award is an incredible milestone,” said the Eastside Audiology & Rehabilitation team. “We’re grateful to our patients and community for the trust they’ve placed in us over the years. Our focus has always been on providing compassionate care, expert guidance, and solutions that truly improve quality of life.”

Eastside Audiology & Rehabilitation Team

What sets Eastside Audiology apart is its patient-first philosophy. Every hearing journey begins with a comprehensive assessment, followed by customized

treatment recommendations based on the patient's lifestyle, goals, and hearing needs—not sales targets. The clinic's team takes the time to educate patients, answer questions, and provide ongoing support long after treatment begins.

Using advanced diagnostic technology and decades of combined clinical experience, Eastside Audiology provides comprehensive hearing assessments, hearing aid fittings, rehabilitation services, and continued follow-up care. This commitment to personalized treatment helps patients of all ages navigate hearing loss with confidence and clarity.

As hearing healthcare continues to evolve, Eastside Audiology & Rehabilitation remains dedicated to delivering evidence-based care in a welcoming and supportive environment. The clinic's 20-year milestone and 11th Consumer Choice Award reflect its unwavering commitment to clinical excellence, patient trust, and improving lives through better hearing.

The Consumer Choice Award is based on independent market research evaluating reputation, customer satisfaction, and overall excellence. Eastside Audiology & Rehabilitation's 11th Consumer Choice Award highlights two decades of dedication to exceptional hearing care and outstanding patient experiences.
