“This milestone is about more than 15 years in business—it's about the relationships we've built along the way,” said Mike Spicer, President of MKS Financial Services Inc. “We're honoured to receive this Consumer Choice Award and thankful to every client who has trusted us with their financial future. Helping people retire with confidence and peace of mind continues to be the most rewarding part of what we do.”

Rather than offering one-size-fits-all solutions, MKS Financial Services takes an education-first approach. The firm believes that informed clients make better financial decisions, taking the time to explain strategies, answer questions, and ensure clients understand how their money can

work toward achieving their long-term goals.

What sets MKS Financial Services apart is its commitment to building lasting partnerships. By understanding each client's unique financial circumstances, retirement goals, and family priorities, the team develops personalized plans designed to evolve alongside life's changing needs.

As the firm celebrates 15 years of serving the community, MKS Financial Services remains focused on delivering exceptional client experiences through professional advice, ongoing support, and a commitment to helping clients achieve lifetime financial success.

The Consumer Choice Award is based on independent market research evaluating reputation, customer satisfaction, and overall excellence. MKS Financial Services Inc.'s selection as the 2026 winner highlights 15 years of dedication to trusted financial planning and outstanding client service.
