

# Open Skies MRI Recognized for Diagnostic Imaging Excellence With 2026 Consumer Choice Award

REGINA, ONTARIO, CANADA, August 13, 2026 /EINPresswire.com/ -- Consumer Choice Award is proud to announce that Open Skies MRI has been named the 2026 Consumer Choice Award winner in Regina. This recognition reflects the clinic's commitment to providing high-quality diagnostic imaging, timely access to MRI services, and an exceptional patient experience.

Founded in 2012, Open Skies MRI is Saskatchewan's first fully accredited and licensed private MRI facility. Owned and operated by local radiologists, the clinic was established with a clear mission: to improve access to advanced diagnostic imaging while delivering compassionate, patient-centered care.

“Receiving the Consumer Choice Award is an honour and a reflection of the trust our patients and referring healthcare professionals have placed in us,” said the Open Skies MRI team. “We remain committed to providing timely, accurate diagnostic imaging and a positive experience for every patient who walks through our doors.”

For patients awaiting answers, timely access to diagnostic imaging can play an important role in supporting informed healthcare decisions. Open Skies MRI is dedicated to helping reduce wait times by providing efficient access to

high-quality MRI services while maintaining the highest standards of clinical excellence and

patient care.

What sets Open Skies MRI apart is its combination of advanced imaging technology, experienced medical professionals, and a patient-first approach. Every examination is performed in a welcoming environment designed to help patients feel informed, comfortable, and supported throughout the imaging process.

As Saskatchewan's first private MRI facility, Open Skies MRI continues to play an important role in expanding access to diagnostic imaging across the province. Its ongoing commitment to quality, innovation, and patient care has established the clinic as a trusted resource for patients and healthcare providers alike.

The Consumer Choice Award is based on independent market research evaluating reputation, customer satisfaction, and overall excellence. Open Skies MRI's selection as the 2026 winner highlights its continued dedication to clinical excellence and outstanding patient care.
