

TYPHON STOMP Series Ranks As Most Popular Compact Skid Steer Lineup on eBay in H1 2026, Reflecting Strong Market Demand

The TYPHON STOMP compact skid steer series ranked among the most popular compact skid steer lineups on eBay in the United States for the first half of 2026.

LOS ANGELES, CA, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- [TYPHON Machinery](#) has announced that its STOMP compact skid steer series ranked among the most popular compact skid steer lineups on eBay in the United States for the first half of 2026 (January 1 – June 30, 2026), based on eBay sales data. Spanning several models, the TYPHON STOMP series delivered strong, consistent sales performance across multiple customer segments from homeowners and landscapers to rental companies and professional contractors.

The TYPHON STOMP 507 and 509 models demonstrated consistent growth, attracting buyers with a mix of gas and diesel options.

“

Seeing the STOMP series become a top choice for American buyers across different applications affirms that our customer-focused approach and robust engineering are exactly what the market demands.”

Dennis Tan

The H1 2026 period reflected a broad and growing appetite for compact skid steer equipment on eBay. The STOMP series benefited from this category momentum, drawing sustained buyer interest across both gasoline and diesel configurations. TYPHON's commitment to free shipping and fully assembled, inspection-ready delivery, a standard upheld across its entire product lineup, continued to resonate strongly with buyers throughout the continental United States.

Leading the STOMP series were the STOMP 502 and [STOMP 503](#), powered by a 22.1 HP Honda engine and recognized as the flagship model of the lineup. Its

combination of power, reliability, and value has made them the most sought-after models within

the STOMP family. Beyond the flagship models, the lineup features a strong roster of top-selling models that have each earned notable traction with buyers. The [STOMP V1000](#), STOMP X1300, STOMP 509, STOMP 507, and STOMP 501 all demonstrated consistent demand, reflecting the depth and versatility of a portfolio designed to serve a wide range of applications — from light-duty residential use to demanding contractor-grade work.

"Our performance in the compact skid steer segment on eBay is a direct result of our dedication to delivering exceptional value and dependability," stated Dennis Tan, Chief Executive Officer at TYPHON Machinery. "We are proud to be the brand that so many professionals and individuals turn to for their compact equipment needs."
