

One Water Systems Launches Customer Referral Program with Homeowner Rewards

SAN DIEGO, CA, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- [One Water Systems](#) today announced the launch of its Customer Referral Program, offering eligible customers referral rewards and a monthly giveaway while encouraging homeowners to share their experience with friends and family seeking improved residential water filtration solutions.

The program provides eligible customers with a \$200 referral reward when a referred homeowner purchases a qualifying One Water Systems installation. In addition, each qualifying referral is automatically entered into a monthly drawing for an opportunity to receive a \$100 Amazon Gift Card, subject to the program's official rules and eligibility requirements.

“

This program recognizes the confidence our customers place in us. We're pleased to reward eligible referrals while helping more families explore reliable water filtration solutions.”

Kevin Worsfold , Founder of One Water Systems

The initiative is part of One Water Systems ongoing efforts to recognize customer loyalty while helping more Southern California homeowners learn about whole house water filtration systems, hard water treatment solutions, and professional water testing services.

One Water Systems offers residential water treatment systems, including the ELITE 15 Whole House Water Filtration System, featuring integrated [Salt Free Water](#)

[Softener](#) Technology and [Cartridge Free Water Filtration](#). The system is designed to help homeowners address hard water concerns while reducing ongoing maintenance associated with traditional water softening systems.

The referral program is available for a limited time. Interested homeowners may contact One Water Systems to schedule a complimentary water consultation and learn more about available water treatment options and referral program eligibility.

Referral rewards are available only for qualifying installations completed in accordance with the program's official terms and conditions. Giveaway entries, reward eligibility, and promotional availability are subject to applicable rules and may change without notice.

About One Water Systems

Founded in 2003 by Kevin Worsfold, One Water Systems is a Southern California-based company specializing in whole house water filtration and conditioning systems. With a focus on eco-friendly, maintenance-free technology, the company has earned a reputation for excellence through personalized consultations, professional installations, and outstanding customer care. One Water Systems provides residential water filtration systems, whole house water filtration, water testing, and hard water treatment solutions throughout Southern California. The company's ELITE 15 system combines Salt Free Water Softener technology with Cartridge Free Water Filtration to deliver cleaner water throughout the home while minimizing routine maintenance. One Water Systems is committed to helping homeowners improve water quality through professional consultation, installation, and customer support.
