

From Pain Relief To Injury Recovery – Comprehensive Chiropractic Care At Ft. Campbell Chiropractic In Clarksville, TN

Ft. Campbell Chiropractic offers expert chiropractic care in Clarksville, TN.

Accepting TRICARE, we treat back pain, neck pain, injuries & support wellness.

CLARKSVILLE, TN, UNITED STATES, August 10, 2026 /EINPresswire.com/ -- Pain, injuries, and mobility challenges can affect every aspect of daily life, making it difficult to work, stay active, care for family, or enjoy favorite activities. Whether discomfort develops from an auto accident, sports injury, a physically demanding job, military service, or everyday wear and tear, finding the right care is an important step toward recovery. Many people today are looking for conservative, non-surgical treatment options that not only help relieve pain but also improve long-term mobility and overall wellness.

“

Our mission is to help patients recover naturally, relieve pain, and improve mobility through personalized chiropractic care. We are proud to support healthier, more active lives in our community.”

Dr. John Y. Curtis, D.C.

Serving Clarksville, TN, and the surrounding Fort Campbell, KY communities, Ft. Campbell Chiropractic is a trusted [chiropractor in Clarksville TN](#), providing personalized

chiropractic care designed to help individuals manage musculoskeletal conditions, recover from injuries, and restore healthy movement. Every patient receives a comprehensive evaluation so treatment recommendations are based on their unique condition, health history, and lifestyle rather than a one-size-fits-all approach.

Trusted by the local community, Ft. Campbell Chiropractic has earned more than 247 positive patient reviews, reflecting its commitment to compassionate care, professional expertise, and patient satisfaction. The clinic proudly serves military members, veterans, families, athletes, and individuals seeking comprehensive chiropractic solutions for pain relief, injury recovery, and better overall mobility.

Comprehensive Chiropractic Services for Better Movement: If you're looking for a pain relief chiropractor in Clarksville, the experienced team at Ft. Campbell Chiropractic provides personalized care designed to reduce discomfort, restore mobility, and improve overall physical

function. Every treatment plan is tailored to each patient's condition, lifestyle, and recovery goals, and may include:

- Chiropractic spinal adjustments
- Spinal decompression therapy
- Therapeutic ultrasound therapy
- Electrical stimulation therapy
- Corrective rehabilitation exercises
- Kinesio taping for muscle and joint support
- Auto accident injury care
- Whiplash treatment
- Care for headaches, neck pain, back pain, workplace injuries, and other musculoskeletal conditions

Using evidence-informed chiropractic techniques and personalized care, our team helps improve spinal health, mobility, and recovery while supporting a healthier, more active lifestyle.

Dedicated Care for Military Members and Veterans: Located near Fort Campbell, KY, Ft. Campbell Chiropractic proudly serves active-duty military members, veterans, and their families. The clinic provides discounted TRICARE rates to active duty and military dependents. Veterans may also receive care through the VA Community Care Program with appropriate authorization.

Insurance Plans Accepted: Access to quality healthcare should be convenient and affordable. Ft. Campbell Chiropractic accepts several major insurance plans to help reduce financial barriers to treatment.

Accepted insurance providers include:

- Aetna
- Anthem
- BlueCross BlueShield
- Optum

The knowledgeable staff works closely with patients to explain insurance coverage and available payment options, helping them better understand their benefits before beginning care.

Experienced Care from Dr. John Y. Curtis, D.C: Ft. Campbell Chiropractic is led by Dr. John Y. Curtis, D.C., an experienced chiropractor focused on improving mobility, reducing discomfort, and supporting overall wellness.

Dr. Curtis earned his Doctor of Chiropractic degree from Life University and completed the PEAK Program for advanced clinical training. He is board-certified through the National Board of Chiropractic Examiners and holds advanced certification in Whiplash Injury Biomechanics and
