

A' Manufacturing and Processing Machinery Design Awards 2026 Call for Entries Announced

A' Manufacturing and Processing Machinery Design Awards 2026 welcomes innovative industrial machinery and factory automation solutions worldwide.

COMO, CO, ITALY, August 7, 2026 /EINPresswire.com/ -- Today, A' Design Award & Competition has released its call for entries to A' International Manufacturing and Processing [Machinery Design Awards](#). The A' Manufacturing and Processing Machinery Design Awards are open for entries by Machinery Designers, Industrial Designers, Machinery Manufacturing Brands, Machinery Manufacturers, Production Engineers, Industrial Engineers, Processing Machinery Designers, Automation System Designers, Quality Control Specialists, Manufacturing Consultants, Machine Tool Producers,

Manufacturing Technologists, Manufacturing Equipment Producers, Processing Machinery Manufacturers, Machine Fabricators, Factory Designers, Manufacturing Innovation, Consultancy, Research and Development Companies worldwide. Industrial machinery and manufacturing equipment developed within the last 10 years are eligible for participation.

The A' International Manufacturing and Processing Machinery Design Awards is a two-phase competition. Participation begins with a complimentary preliminary evaluation of manufacturing and processing machinery designs, Machinery Designers, Industrial Designers, Machinery Manufacturing Brands, Machinery Manufacturers, Production Engineers, Industrial Engineers, Processing Machinery Designers, Automation System Designers, Quality Control Specialists, Manufacturing Consultants, Machine Tool Producers, Manufacturing Technologists,

Manufacturing and Processing Machinery Design Awards

Manufacturing Equipment Producers, Processing Machinery Manufacturers, Machine Fabricators, Factory Designers, Manufacturing Innovation, Consultancy, Research and Development Companies can register at A' Design Awards to submit a work for the Machinery Awards, and get a preliminary score for their work. Projects that pass the preliminaries can proceed with nomination, however it shall be noted in advance that there is a nominal fee for nominating entries for Machinery Awards consideration.

The A' Manufacturing and Processing Machinery Design Awards recognize excellence in industrial machinery, manufacturing technologies and production equipment. From automated production lines, CNC machines and industrial robots to processing systems, packaging equipment, quality control machinery and smart factory solutions, the competition celebrates innovations that improve manufacturing efficiency, precision, safety and sustainability. Entries are evaluated anonymously by an international jury of more than 300 academics, industrial designers, manufacturing engineers, automation specialists, production experts and technology professionals, ensuring recognition is based solely on innovation, engineering quality, operational performance and design excellence.

Machinery Awards Timeline & Eligibility

Deadline for entries to A' Manufacturing and Processing Machinery Design Awards is on September 30, 2026. Results of the A' Manufacturing and Processing Machinery Design Awards will be announced on May 1, 2027. Professional-edition laureates of the A' Manufacturing and Processing Machinery Design Awards will be granted the highly coveted A' Design Prize which contains a series of PR, marketing and publicity tools to celebrate the status of winning the Machinery Awards.

Eligible entries include industrial robots, CNC machines, assembly lines, packaging machinery, processing equipment, automation systems, quality control machinery and smart manufacturing technologies that could be submitted to A' Manufacturing and Processing Machinery Design Awards : Conveyors, Robotics, Injection Molds, 3D Printers, CNC Machines, Packaging Systems, Quality Control Equipment, Assembly Lines and More. Machinery Awards Sub-categories and their descriptions are available at <https://competition.adesignaward.com/category/57>

Prize for Good Machinery Design

The A' Design Prize for A' Manufacturing and Processing Machinery Design Awards includes: Design Excellence Certificate, Lifetime license to use the A' Manufacturing and Processing Machinery Design Awards Winner Logo, Yearbook of Best Designs, Exhibitions of Awarded Works in Italy, Exclusive Design Award Trophy, Exclusive Invitation to Take Part in the A' Design Awards' Gala-Night – La Notte Premio A', Translation of Awarded Works into Foreign Languages, Entry to Prime Clubs, as well as inclusion in World Design Rankings, [Designer](#) Rankings, Machinery Design Classifications and Design Legends platforms.

In addition the laureates of the A' International Manufacturing and Processing Machinery Design Awards will also get an exclusive interview which will be published at Designer Interviews

website as well as included in the Press Kits. Award winners will also get a press release prepared to announce their victory. For the winners of A' Manufacturing and Processing Machinery Design Awards , a very inclusive press kit will be prepared which contains the exclusive interview with the designer, the press release for award announcement in addition to design images, photographs of the designer, logo of the designer and the client, dozens of high-resolution photos and images for added exposure including a portfolio that contains previews of other designs projects by the designer.

The Press Kits prepared for the winners of the A' International Manufacturing and Processing Machinery Design Awards will be distributed to thousands of press members who have gained press accreditation from A' Design Awards. Furthermore there are already dozens of press partners who have confirmed in advance to publish a selection of the best projects among award winners. Both the Press Kit preparation and distribution service as well as the A' Design Prize are given free of charge to the Machinery Awards laureates as a gift to celebrate their success of winning the A' Manufacturing and Processing Machinery Design Awards.

Machinery Design Awards Entry & Winners

Press Members, machinery manufacturers, factory automation professionals, production engineers, industrial designers and design enthusiasts are invited to visit <https://competition.adesignaward.com/winners-category.php?CATEGORY=57> to see past winners of the A' International Manufacturing and Processing Machinery Design Awards.

- Additional Details could be found at <https://competition.adesignaward.com/category/57>
- Registrations could be made at <https://competition.adesignaward.com/enter>

About A' Design Awards

The A' Design Award & Competition recognizes outstanding achievements in manufacturing and processing machinery design alongside numerous creative disciplines. By celebrating innovations in industrial automation, factory equipment and manufacturing technologies, the competition encourages machinery manufacturers, industrial designers and engineering teams to develop advanced production solutions that improve efficiency, reliability and workplace safety. Through international recognition, media exposure and extensive promotional opportunities, the A' Design Awards help machinery manufacturers, automation companies, engineering firms and industrial innovators present cutting-edge manufacturing technologies to a global audience while advancing excellence in industrial machinery design.
