

Farmer Boys Brings Farm-Fresh Favorites to Mesa

Award-Winning Burger Chain Strengthens Presence in Arizona with Latest Restaurant Opening

MESA, AZ, UNITED STATES, August 10, 2026 /EINPresswire.com/ -- [Farmer Boys](#), the Southern California-based fast-casual restaurant brand known for its award-winning burgers, hand-chopped salads, specialty sandwiches, and all-day breakfast offerings, is continuing its expansion in Arizona with its newest restaurant in Mesa.

Since opening its first Arizona restaurant in Gilbert in 2021, Farmer Boys has grown to six locations statewide, reflecting continued demand for the brand's farm-fresh approach to fast-casual dining.

"It's been incredibly rewarding to watch Farmer Boys grow from a single Arizona restaurant to a presence in communities across the state," said Omar Mawas, a longtime Farmer Boys franchisee expanding his footprint with the Mesa location. "Having been part of that journey from the beginning, I've seen firsthand how strongly guests embrace the brand's commitment to fresh ingredients, made-to-order meals, and genuine hospitality. We're excited to build on that momentum in Mesa and introduce even more guests to what makes Farmer Boys unique."

Located at [3445 S Ellsworth Rd.](#), the restaurant is open daily from 6 a.m. to 10 p.m. and offers dine-in, drive-thru, and online ordering. The Mesa restaurant will serve Farmer Boys favorites made to order with fresh ingredients, including burgers prepared with never frozen beef, hand-chopped salads made with produce delivered fresh daily, and all-day breakfast offerings featuring cage-free eggs and hearty breakfast burritos. Guests can also enjoy signature menu items like the Farmer's Burger® and Big Cheese® cheeseburger.

"Omar has been instrumental in helping establish Farmer Boys throughout Arizona and serving as a strong ambassador for the brand," said John Lucas, vice president of franchise development for Farmer Boys. "His commitment to operational excellence and guest service has played a key
