

The Highland Cleaning Company Accelerates Franchise Expansion Following First Franchise Agreement

The East Valley territory marks an early milestone as the Arizona-based cleaning company awards franchise opportunities throughout select U.S. markets.

SCOTTSDALE, AZ, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- [The Highland Cleaning Company](#), an award-winning cleaning company known for its personalized service and hospitality-inspired approach, is accelerating its franchise expansion following its first franchise agreement, establishing an East Valley territory serving Chandler and surrounding communities. The milestone marks the beginning of the Scottsdale-based company's franchise growth as it continues to award franchise opportunities throughout Arizona, Florida, and select markets across the United States.

The East Valley territory is owned by entrepreneur Peter Longford, who joined the Highland Cleaning Company franchise system as the brand's first franchisee.

Founded by Lisa Campbell, The Highland Cleaning Company was established after relocating from Scotland in 2017 with the goal of

CLEANING COMPANY

building a business centered on quality service, clear communication, and tailored customer care. Drawing on a background in customer service and training, Campbell built the company in Scottsdale by focusing on consistent service and long-term client relationships before introducing franchising as the next phase of growth.

The Highland Cleaning Company provides residential home cleaning, professional office cleaning, and vacation rental cleaning services. Its franchise model enables owners to serve multiple customer segments while building on the operating systems and service standards established by the company's corporate operations.

With its first franchise territory now established, The Highland Cleaning Company is actively seeking franchise partners throughout Arizona, Florida, and additional markets across the United States.

Franchise owners receive initial training and ongoing operational support covering customer service, administration, and day-to-day business management. The company also provides marketing resources, purchasing programs, exclusive territories, and continued guidance as it refines its operating systems and responds to changing market trends.
