

Collins Family Movers Expands Full Service Moving Coverage Across Goodyear, AZ

Collins Family Movers now offers local, long distance, commercial, piano, and packing services to Goodyear and West Valley households and businesses.

GOODYEAR, AZ, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- Collins Family Movers has expanded its full service moving coverage across Goodyear, Arizona, giving households and businesses in the West Valley access to the company's complete relocation lineup from a single local crew. Working out of its office at 15150 W Pk Pl, Suite 215 in Goodyear, the company handles local moving, long

distance moving, intrastate moving, residential moving, commercial moving, apartment moving, labor only moving, piano moving, large item moving, and professional packing. Residents who previously had to book separate providers for specialty work such as pianos, safes, or oversized furniture can now schedule those jobs through the same team managing the rest of the move.

The expansion reflects steady relocation activity in the city. Goodyear now counts 118,186 residents with a median home value of \$471,300 and an average resident age of 40.8, a profile that produces a mix of first time buyers, growing families upgrading to larger homes, and businesses opening or moving offices in the Estrella and Palm Valley corridors. Demand for [local movers in Goodyear](#) has followed that growth, particularly for weekday and early morning move windows.

Collins Family Movers operates seven days a week from 6 AM to 9 PM, a schedule built around the desert climate. Early starts let crews complete the heaviest loading before afternoon temperatures peak, which protects both the moving team and temperature sensitive belongings such as electronics, artwork, and instruments. Extended evening hours give apartment residents and business owners the option to move outside standard working hours when building rules or operating schedules require it.

Every move is carried out under the company's federal and state authority, USDOT number 2789784 and ILLCC MC number 215646. The company has been in business for more than 15 years and has completed work for over 10,000 customers. Its public review profiles show a 5.0 star rating from 46 reviews and a 4.9 star rating from 878 reviews. Pricing remains a central part of the offering. Collins Family Movers issues detailed written estimates before a move begins rather than quoting a range and revising it on move day. Customers receive a breakdown covering crew size, truck requirements, materials, and time so the final invoice matches the figure they approved.

Service coverage extends beyond the city limits. The company works throughout the surrounding West Valley including Buckeye, Avondale, Litchfield Park, Tolleson, Surprise, El Mirage, Estrella Mountain Ranch, Glendale, and Peoria, as well as the wider Phoenix metro area. For businesses, the commercial division plans relocations around operating hours to limit downtime. Office moves, retail buildouts, and warehouse transitions are sequenced so that critical equipment is unloaded and reconnected first, letting staff resume work quickly at the new address.

The residential side covers the full sequence from packing to placement. Crews supply premium cartons and protective materials, wrap and pad furniture before it leaves the home, inventory items during loading, and place boxes room by room at the destination so unpacking follows the layout the customer wants rather than the order the truck was filled.
