

Alliance Orthopedics Welcomes Dr. Jonathan Lee, Pain Management and Physical Medicine & Rehabilitation Physician

Alliance Orthopedics is excited to welcome Dr. Jonathan Lee, DO, FAAPMR, to its team of distinguished providers

TOMS RIVER, NJ, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- Alliance Orthopedics is proud to welcome Jonathan Lee, DO, FAAPMR, to its growing team of distinguished providers. A double board-certified physician in Pain Medicine and Physical Medicine & Rehabilitation, Dr. Lee brings world-class training and expertise in the diagnosis and treatment of acute and chronic pain conditions.

Dr. Lee specializes in comprehensive, patient-centered [pain management](#), treating a wide range of spine, joint, nerve, [sports injury](#), and cancer-related pain. His approach combines the latest evidence-based therapies with advanced minimally invasive procedures to help patients reduce pain, restore function, and return to their favorite activities.

After earning his Bachelor of Science from Stanford University, Dr. Lee returned to New Jersey to complete his

Doctor of Osteopathic Medicine degree at Rowan University School of Osteopathic Medicine, where he graduated with honors as a member of the Sigma Sigma Phi Honor Society and the Gold Humanism Honor Society.

Dr. Jonathan Lee, DO, FAAPMR

Dr. Jonathan Lee is an exceptional addition to Alliance Orthopedics and an important part of our continued expansion in Ocean County"

Dr. Ammar Saymeh, Director of Lower Extremity Services

He completed his residency in Physical Medicine and Rehabilitation at Mount Sinai Hospital in New York City, where he served as Chief Resident. Dr. Lee then went on to complete the prestigious Tri-Institutional Pain Fellowship through New York Presbyterian Weill Cornell Medical Center, Hospital for Special Surgery, and Memorial Sloan Kettering Cancer Center. His fellowship provided advanced training in image-guided procedures, minimally invasive interventional pain techniques, and evidence-based, non-opioid treatment strategies.

Dr. Lee's expertise includes EMG and nerve conduction studies, advanced interventional pain procedures, neuromodulation, and regenerative medicine, including Platelet Rich Plasma (PRP) therapy. His clinical philosophy centers on delivering individualized care that addresses each patient's unique goals while improving function and quality of life.

"Dr. Jonathan Lee is an exceptional addition to Alliance Orthopedics and an important part of our continued expansion in Ocean County," said Dr. Ammar Saymeh, Director of Lower Extremity Services at Alliance Orthopedics. "As we open our new [Toms River](#) location, we are excited to have Dr. Lee joining our team and bringing his expertise in both pain management and vein care to the community. His addition strengthens our ability to provide comprehensive, specialized care under one organization while giving patients greater access to these services close to home. We look forward to Dr. Lee playing an important role in the growth and success of our new Toms River location."

Dr. Lee will care for patients with a full spectrum of musculoskeletal and pain-related conditions, working collaboratively with Alliance Orthopedics' multidisciplinary team to provide comprehensive conservative and medical treatment under one roof.

About Alliance Orthopedics

Alliance Orthopedics is New Jersey's leader in multidisciplinary musculoskeletal care with eight locations across the state.
