

Department of Veterans Affairs Awards \$82 Million Contract to Revelations Counseling & Consulting

Revelations Counseling & Consulting awarded Veterans Health Administration's Caregiver Support Program Financial and Legal Services (CSP-FLS) Contract

FREDERICKSBURG, VA, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- Revelations Counseling & Consulting, a Fredericksburg, Virginia-based company, has been awarded a 5-year, \$82 million contract by the Veterans Health Administration (VHA). This award continues the company's prior support for the VHA's Caregiver Support Program's (CSP) Financial and Legal Services Pilot, which commenced in 2022. Revelations has continued its close partnership with the teaming members that first assisted in designing the Pilot—MINES & Associates and MyAdvisor, LLC (a Three Wire Systems company). Revelations will deliver financial planning and coaching, as well as licensed attorney legal services to designated Primary Family Caregivers in the Program of Comprehensive Assistance for Family Caregivers in support of the Veterans they serve. The company's certified paralegals and financial counselors offer concierge support 24 hours a day, 365 days a year in all 50 States and five U.S. territories.

"We are deeply honored to continue serving the needs of Caregivers and their Veterans in this critically important mission," said Revelations CEO, Guy Strawder, LMFT, LPC, MHA. "We have witnessed first-hand how profoundly significant these financial and legal services have been in contributing to the supportive ecosystem that is being delivered by the VHA Caregiver Support Program."

About Revelations Counseling & Consulting

Revelations Counseling & Consulting ("Revelations") is a Service-Disabled Veteran-Owned Small Business with a mission to empower excellence in every person entrusted to our care. Revelations delivers person-centered, technology-enabled solutions that create meaningful customer connections to the essential whole-health resources that meet their unique needs. Revelations manages an outpatient mental health practice in Fredericksburg, Virginia, through which our clinicians and executive leaders collaborate to advance evidence-based practices, design innovative whole-health delivery systems, and implement complementary state-of-the-art technologies—all with the goal of strengthening individual resilience and optimizing client organizational performance.

We specialize in providing licensed behavioral health treatment and quality-of-life services for
