

Redefyne Moving & Storage Expands Full-Service Moving and Storage Solutions to Gladstone, Oregon

The Portland-based moving company now offers local moving, long-distance relocation, packing, and storage services to Gladstone homeowners and businesses.

PORTLAND, OR, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- Redefyne Moving & Storage, a [full-service moving company](#) based in Portland, Oregon, announced the expansion of its residential and commercial moving services into Gladstone, Oregon. The expansion gives Gladstone residents and business owners direct access to local moving, long-distance relocation, professional packing, and secure storage services from a company licensed to operate across state lines.

Gladstone sits at the confluence of the Clackamas and Willamette rivers, about 12 miles south of Portland, and borders Oregon City, West Linn, Milwaukie, and Oak Grove. The city is home to more than 12,000 residents, 14 public parks, and community landmarks such as the Pow Wow Tree and the annual Gladstone Community Festival. Steady interest in the area from homebuyers and renters relocating within Clackamas County has increased demand for reliable, licensed moving support.

Redefyne Moving & Storage now brings that support directly to the community. Crews trained in careful handling, protective packing methods, and secure loading serve Gladstone households moving across town as well as families and businesses relocating out of state. The company also provides short-term and long-term storage for customers navigating a gap between move-out and move-in dates.

"Gladstone has a strong sense of community, and families here deserve the same careful, dependable service we provide across the rest of the Portland metro area," said Andrew Bresciani, Manager at Redefyne Moving & Storage. "Our crews treat every move, whether it's a two-bedroom house down the street or a full household headed out of state, with the same attention to detail."

Redefyne Moving & Storage operates under ODOT#160087, WAUTC#HG067284, USDOT#2317313, and MC#860157, and holds an A+ rating with the Better Business Bureau. All movers undergo background checks and drug screening before joining a crew, and the company provides free, no-obligation [moving quotes for Gladstone](#) residents and businesses.
