

ExclusiveLiveCalls Launches Complete White-Label Pay Per Call, AI and Performance Marketing Platform

ExclusiveLiveCalls offers Pay Per Call, RTB, AI Voice, White-Label SaaS, CRM, Contact Center and Performance Marketing solutions under one platform.

AUSTIN, TX, TX, UNITED STATES, August 7, 2026 /EINPresswire.com/ -- Exclusive Live Calls today announced the launch of its next-generation White-Label Pay Per Call, [AI Contact Center](#), RTB, and Performance Marketing Platform, giving entrepreneurs, agencies, affiliates, media buyers, and sales organizations the opportunity to build a profitable digital marketing business with minimal upfront investment.

“

Our mission is to give entrepreneurs enterprise technology, AI, Pay Per Call, and performance marketing tools so they can build profitable businesses with minimal investment.”

David Shnader

Designed as a complete business-in-a-box, the platform combines enterprise-level technology, AI-powered communications, performance marketing, CRM software, and backend operational support into one fully integrated ecosystem. Instead of spending hundreds of thousands of dollars developing software, hiring technical teams, or managing multiple vendors, partners can launch their own branded business in days while leveraging the infrastructure, technology, and expertise of ExclusiveLiveCalls.

A Complete White-Label Business Under Your Brand

ExclusiveLiveCalls enables partners to launch a fully branded agency offering advanced marketing, lead generation, AI automation, and contact center services under their own company name. From custom branding and CRM access to customer management and billing,

everything operates behind the partner's brand while ExclusiveLiveCalls provides the technology, infrastructure, training, and ongoing support.

The platform is ideal for marketing agencies, call centers, affiliate marketers, consultants, media buyers, sales organizations, and entrepreneurs looking to create recurring revenue without the expense of building their own technology.

The Ultimate [Pay Per Call Platform](#)

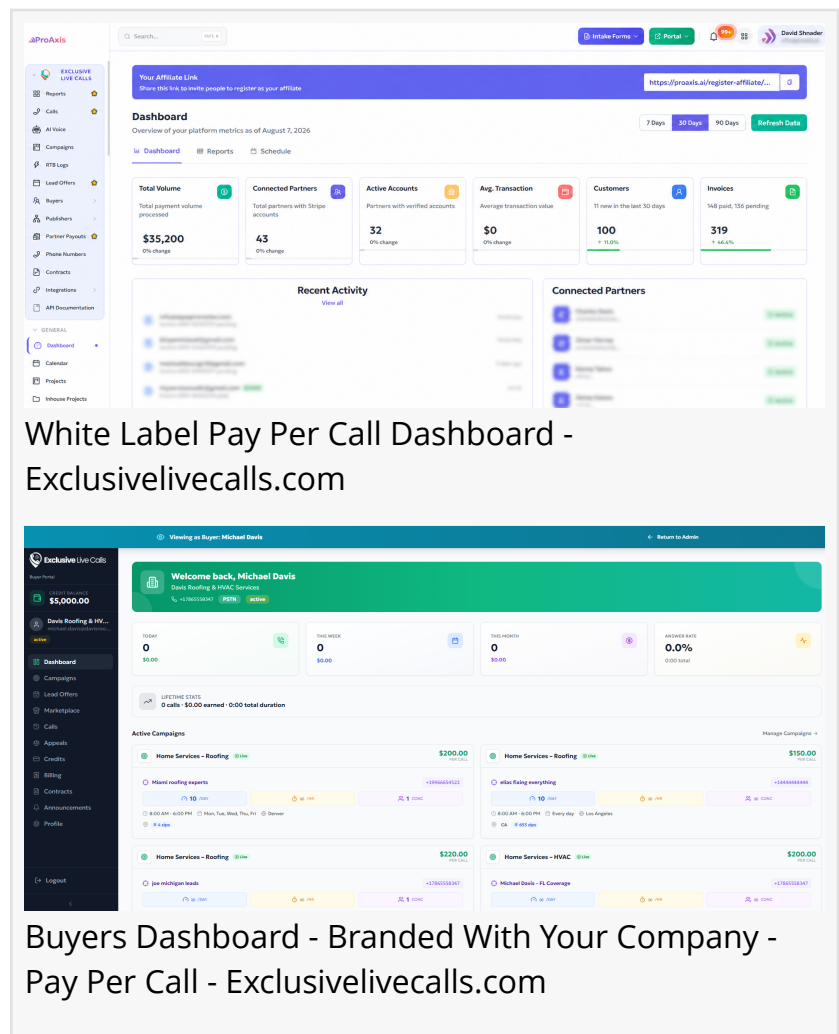

As one of the fastest-growing sectors in performance marketing, Pay Per Call continues to deliver high-quality customer acquisition for businesses across industries. ExclusiveLiveCalls provides everything needed to build and manage successful Pay Per Call campaigns, including live call routing, intelligent call tracking, buyer management, lead distribution, reporting, AI-powered call handling, and campaign optimization.

Partners can generate inbound calls, purchase traffic, route calls to buyers, or create their own network of advertisers and publishers while managing everything from one centralized dashboard.

RTB and Performance Marketing

The platform also includes Real-Time Bidding (RTB) solutions that allow agencies to participate in one of the most advanced forms of digital advertising. Combined with expertise in SEO, PPC, social media advertising, display campaigns, native advertising, email marketing, SMS marketing, and lead generation, ExclusiveLiveCalls supports virtually every performance marketing strategy available today.

Whether clients need exclusive leads, live transfers, inbound calls, appointments, or fully managed campaigns, partners have access to enterprise-level tools designed to maximize performance and return on investment.

AI-Powered Contact Center Solutions

Artificial Intelligence is transforming customer communication, and ExclusiveLiveCalls places AI at the center of its platform. Partners can offer businesses advanced AI Voice Agents, AI Receptionists, AI Appointment Scheduling, AI Call Qualification, AI Customer Support, and intelligent call routing that operate 24 hours a day.

These solutions help businesses answer every call, reduce operational costs, improve customer experience, and increase conversions without expanding staffing requirements.

More Than Software—A Complete Business Ecosystem

ExclusiveLiveCalls delivers far more than technology. Every partner receives onboarding, training, technical support, campaign guidance, and access to experienced professionals who help agencies grow.

The platform includes:

Build Your Own Partner Network

A unique feature of the platform is its ability to create Sub White-Label Accounts, allowing partners to recruit agencies, consultants, and resellers under their own brand. Certified partners can establish their own distribution network, earn recurring margins, and scale nationally or internationally while ExclusiveLiveCalls manages the backend technology and support.

Start With Minimal Investment

Building a software company or performance marketing agency traditionally requires significant capital, developers, call center infrastructure, compliance systems, and years of experience. ExclusiveLiveCalls eliminates those barriers by providing a turnkey solution that allows partners to launch quickly with minimal investment.

"Our goal is to give entrepreneurs access to the same technology and operational capabilities used by large marketing organizations," said the ExclusiveLiveCalls team. "We handle the backend, provide the training, and continuously improve the platform so our partners can focus on growing their business."

The Future of Agency Growth

As businesses increasingly adopt AI, automation, and performance-based marketing, ExclusiveLiveCalls is positioned to become a leading platform for agencies seeking scalable, recurring revenue opportunities. By combining Pay Per Call, RTB, AI communication, White-Label SaaS, CRM technology, and full operational support into one solution, the company is helping redefine how agencies launch and scale in today's digital economy.

Entrepreneurs no longer need millions of dollars, large technical teams, or years of development to build a successful marketing company. With ExclusiveLiveCalls, they gain access to a complete business ecosystem designed to help them compete from day one.
