

Lake County HVAC Contractor in Leesburg, FL Expands Trusted AC Services

Veteran-Owned Lucas Air Brings 5-Star HVAC Service, Honest Pricing, and Same-Day Availability to Leesburg Homeowners

LEESBURG, FL, UNITED STATES, August 13, 2026 /EINPresswire.com/ --

Leesburg homeowners searching for dependable year-round HVAC service now have a proven local option closer than ever. [Lucas Air Conditioning and Heating](#), LLC, the veteran-owned HVAC company headquartered in Tavares, Florida, is actively serving residential

and commercial customers throughout Leesburg and the surrounding Lake County communities — bringing fast response times, honest pricing, and 60-plus combined years of industry experience directly to local doorsteps.

With Florida's summer heat pushing temperatures well into the 90s for months at a time, a properly functioning air conditioning system is essential, not optional. Lucas Air was founded in 2018 by Army veteran Cameron Lucas on the values of respect, integrity, and trust. Those same principles that guided the team through military service continue to shape how every service call, installation, and maintenance visit is handled across the region. For a community like Leesburg — home to thousands of families and year-round residents — that kind of reliability and accountability matters deeply.

Lucas Air offers a full range of HVAC services for Leesburg homeowners and businesses, including new AC installation, seasonal tune-ups, AC repairs, duct cleaning, and preventative maintenance agreements. The team carries over 60 combined years of HVAC industry experience, serves all makes and models, and arrives at each job with trucks fully stocked to handle most repairs in a single visit. No callbacks, no long waits, and no pressure to replace a system that can still be repaired.

Leesburg residents can schedule a Precision Tune-Up for \$125, which includes a comprehensive inspection of coolant levels and pressure, thermostat calibration, wiring and capacitor checks,

HVAC Contractor in Leesburg, FL

condenser coil cleaning, and drain line inspection. Technicians communicate before and after every appointment to keep homeowners fully informed. For customers looking for long-term protection, the Preventative Maintenance Agreement is available at \$129 per year and includes one annual tune-up, 15% off all parts throughout the year, and priority scheduling for residential service calls.

Lucas Air Conditioning and Heating has earned a 5-star rating on Google across nearly 1,000 verified customer reviews, has been recognized as a Nextdoor Neighborhood Favorite four consecutive years, and received the Best of the Best 2025 honor from Style Magazine. The company remains committed to honest, transparent pricing, same-day and emergency service availability, and the kind of above-and-beyond customer care that keeps Lake County families returning season after season.

For Leesburg homeowners who need an [hvac contractor in Leesburg, FL](#) with the licensing, experience, and local reputation to back every job, Lucas Air handles everything from emergency repairs to full system replacements. New installations start at \$7,500 and include the unit, permit, a one-year labor guarantee, and a ten-year parts warranty. Free estimates are available for new installations. Financing is available through KwikComfort for customers who prefer a flexible payment plan.

Customers looking for local service history, verified reviews, and directions to the nearest service team can find the company at their local listing as an [hvac contractor in Leesburg, Florida](#).

About Lucas Air Conditioning and Heating, LLC

Lucas Air Conditioning and Heating, LLC is a veteran-owned HVAC contractor serving Lake County and surrounding Central Florida communities since 2018.
