

flynas Signs Framework Agreement to Provide Government Travel Services Starting Q4 2026

RIYADH , SAUDI ARABIA, August 10, 2026 /EINPresswire.com/ -- [flynas](#), the leading low-cost airline in the world and the best LCC in the Middle East, announced that it has signed a unified framework agreement for government travel services with the [Expenditure and Projects Efficiency Authority \(EXPRO\)](#), on behalf of government entities, in its capacity as the competent authority for unified strategic procurement under the Government Tenders and Procurement Law.

The agreement will enable flynas to provide government travel services within the low-cost aviation sector to government entities, marking the first time in the company's history that it has entered into such an agreement.

The company explained that it is currently working with the relevant government entities to complete the necessary technical integration required to activate the agreement, expected to be completed and government travel services to commence at the beginning of the fourth quarter of 2026.

flynas added that, subject to completion of the technical integration according to the targeted timeline, the financial impact of the framework agreement on the company is expected to begin in the fourth quarter of 2026.

flynas confirmed that it will announce any material developments related to the agreement in accordance with applicable laws and regulations.
