

Arsenal Credit Union partners with FHLB Des Moines to award \$20,000 to Veterans Community Project

ST. LOUIS, MO, UNITED STATES, August 10, 2026 /EINPresswire.com/ -- Arsenal Credit Union, in partnership with the Federal Home Loan Bank of Des Moines (FHLB Des Moines) announced that Veterans Community Project will receive a \$20,000 grant through the Member Impact Fund. This grant reflects Arsenal Credit Union's ongoing commitment to supporting local organizations that strengthen and improve the communities it serves.

The Member Impact Fund provides matching funds to FHLB Des Moines member institutions, enabling organizations like Arsenal Credit Union to increase their community impact and support initiatives that address local needs.

Veterans Community Project of St. Louis helps end veteran homelessness by providing transitional tiny-home housing and support services that promote long-term stability and independence. The grant will expand safe housing and connect veterans with resources such as employment assistance, benefits navigation and other critical support.

"Our mission at Veterans Community Project of Saint Louis is only possible because of community partners who stand shoulder to shoulder with us. Arsenal Credit Union is exactly that kind of partner. Their \$20,000 contribution through the Federal Home Loan Bank of Des Moines Member Impact Fund is more than a donation. It's an investment in the men and women who answered our nation's call. As a Veteran who served 11 years in the U.S. Army, I know firsthand what it means to see a community show up like this. Arsenal Credit Union hasn't just given to our mission. They've become part of it, and for that, we are deeply grateful." - Deshauna Barber-Echols, Executive Director of Veterans Community Project.
