

Freedom Energy Logistics Named to the 2026 Inc. 5000 List of America's Fastest-Growing Private Companies

For the fifth time, the leading energy advisory firm made the Inc. 5000 list, earning a place among the nation's most successful independent businesses

AUBURN, NH, UNITED STATES, August 11, 2026 /EINPresswire.com/ --

[Freedom Energy Logistics](#) today announced that it has been named to the [2026 Inc. 5000 list](#), the annual list of the fastest-growing private companies in America. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. The company's 2026 Inc. 5000 ranking improved to No. 3,778, which was a significant increase from No. 4,396 in the 2025 rankings, which reflects Freedom Energy's continued growth.

“

We are continuously grateful to our partners and communities for supporting our growth as a company, and we remain committed to delivering forward-thinking energy solutions for everyone.”

Freedom Energy*

“Being recognized on the Inc. 5000 list for the fifth time is something we don't take lightly. The increase in our ranking reflects the dedication of our team and the continued trust our clients place in our work,” said Bart Fromuth, CEO of Freedom Energy. “We are continuously grateful to our partners and communities for supporting our growth as a company, and we remain committed to delivering forward-thinking energy solutions for everyone. Our team looks forward to building on this momentum

and continuing to help our clients achieve stability and predictability across their energy portfolios.”

Inc. 5000

Freedom Energy is an energy advisory firm that provides strategic energy management and renewable solutions tailored to a diverse range of clients. The company's dedicated team of experts delivers customized energy strategies, objective supplier selection, innovative renewable energy options, and support for sustainability and resiliency initiatives to assist businesses in effectively managing their energy portfolios and achieving their goals and sustainability objectives.

"Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still," says Mike Hofman, editor-in-chief of Inc. "Their growth reflects more than strong financial performance – it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
