

City of Trees Real Estate Ranked No. 1 Team in Boise by RealTrends Verified, Surpasses 6,500 Treasure Valley Home Sales

Independent third-party rankings from RealTrends Verified team No. 1 in Boise and No. 2 in Idaho in both transaction sides and sales volume 2025.

BOISE, ID, UNITED STATES, August 10, 2026 /EINPresswire.com/ -- BOISE, Idaho — August 10, 2026 — City of Trees Real Estate, a residential real estate team affiliated with Keller Williams Realty Boise, has been ranked the No. 1 real estate team in Boise and the No. 2 real estate team in Idaho by RealTrends Verified for 2025 in both transaction sides and sales volume, and has surpassed 6,500 total homes sold in the Treasure Valley. RealTrends Verified credited the team with 333 transaction sides and \$172.74 million in closed volume.

“

RealTrends verified the ranking — we didn't just claim it.”

Brent Hanson, Co-Owner

The RealTrends Verified rankings are compiled from production data that brokerages and teams submit for independent verification, making them one of the few externally audited performance measures in residential real estate. City of Trees Real Estate's placement at No. 2 statewide reflects that verified production.

The 6,500-home milestone across Boise, Meridian, Eagle, Nampa and the greater Treasure Valley, representing approximately 2.8 Billion in closed volume. The team has earned more than 1,000 five-star client reviews on its Google Business Profile.

Hanson, a Boise native and U.S. Air Force veteran, serves as Co-Owner & Strategic Coach at City of Trees Real Estate, where he leads team strategy and agent development alongside co-owner Chase Craig. His roots in Boise predate the Treasure Valley's growth cycle of the past decade — experience he applies to advising clients on neighborhood selection, pricing and timing in a market that has shifted substantially since 2020.

Craig, Co-Owner & Business Coach, was named to REALTOR Magazine's 30 Under 30 list in 2011 and was named REALTOR of the Year by Boise Regional REALTORS in 2014. Together, Hanson and Craig lead a team of more than 30 agents.

City of Trees Real Estate serves buyers and sellers in Boise, Meridian, Eagle, Nampa and the greater Treasure Valley. The team maintains two websites: cityoftreesrealestate.com, its primary brand site, and realestate-idaho.com, a market knowledge base covering Treasure Valley neighborhoods, schools, property taxes and monthly market conditions.
