

Lumea Climbs the 2026 Inc. 5000 Ranking, Reflecting Continued Rapid Growth

Company Recognized for Large Revenue Growth, Earning a Place Among the Nation's Most Successful Independent Businesses

LEHI, UT, UNITED STATES, August 11, 2026 /EINPresswire.com/ -- Lumea today announced it has been ranked No. 1,641 on the 2026 Inc. 5000 list, the annual list of the fastest-growing private companies in America. Lumea also ranked No. 38 among Utah

companies and No. 177 in the Healthcare and Medical industry on this year's list. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, Chobani, Oracle, and Patagonia.

"Climbing to No. 1,641 from No. 2,468 last year is a direct reflection of the momentum behind Lumea's mission to make quality cancer diagnostics accessible everywhere," said James Thackeray, CEO of Lumea. "This recognition speaks to the dedication of our entire team and our continued investment in efficient, affordable [digital pathology](#), and we're proud to keep building the future of cancer diagnostics."

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

For the full Inc. 5000 list, honoree company profiles, and a searchable database by industry and location, please visit: www.inc.com/inc5000.

“Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still,” says Mike Hofman, editor-in-chief of Inc. “Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement.”

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.

About Lumea

Lumea is powering efficient, affordable, and accessible digital pathology through simplified, workflow-driven innovation with both tissue-handling technology and a best-in-class viewer with AI-driven workflows. As the U.S. leader in primary clinical digital pathology, Lumea is processing the highest volume of digital cases nationwide. With over a decade of expertise, Lumea has set the standard for efficiency, quality, and premium cancer diagnostics. With a global presence spanning five continents, Lumea supports over half of the U.S. urology market and top dermatology and gastroenterology groups, optimizing tissue integrity, boosting detection rates, and delivering measurable ROI. By placing patients at the core of its mission, Lumea is transforming pathology for a more precise and efficient future. Learn more at <https://lumeadigital.com>.
