

Katpro Technologies CEO Kothand Rajangam Named 2026 Tampa Bay Titan 100 Honoree

Recognition highlights Rajangam's leadership and Katpro Technologies' work in AI, intelligent automation, and enterprise digital transformation.

TAMPA, FL, UNITED STATES, August 14, 2026 /EINPresswire.com/ -- [Katpro Technologies](https://www.katpro.com) announced that Founder and CEO Kothand Rajangam has been named a 2026 Tampa Bay Titan 100 honoree, recognizing him among the region's leading CEOs and C-level executives. The official list of [2026 Tampa Bay Titan 100 honorees](#)

identifies Rajangam as CEO of Katpro Technologies, and the Titan 100 program recognizes executives based on criteria that include exceptional leadership, vision, passion, and influence.

The 2026 Tampa Bay Titan 100 class represents a broad cross-section of the regional economy.

“

This recognition reflects the dedication of our team, the trust of our clients, and our shared commitment to creating technology that delivers meaningful impact.”

Kothand Rajangam, Founder & CEO, Katpro Technologies

According to Titan CEO, the honorees and their companies collectively employ more than 60,000 people and generate more than \$10 billion in annual revenue. The 2026 recipients are scheduled to be honored on October 22, 2026, at the Yuengling Center on the University of South Florida campus in Tampa.

“This recognition reflects the dedication of our team, the trust of our clients, and our shared commitment to creating technology that delivers meaningful impact,” said Kothand Rajangam, Founder and CEO of Katpro

Technologies.

Rajangam brings more than 15 years of technology leadership experience to Katpro. Under his leadership, the company has focused on helping organizations modernize business operations through artificial intelligence, intelligent automation, Microsoft technologies, cloud solutions,

software integration, and enterprise digital transformation.

Katpro describes its leadership approach as focused on solving real enterprise problems, scalable automation, client-centered delivery, transparency, and accountability. Rajangam's leadership profile emphasizes "execution with purpose" and technology designed to create measurable, lasting value for clients.

Katpro's current service portfolio includes [Agentic AI](#), intelligent automation, SharePoint consulting, Microsoft 365, Power Platform, robotic process automation, and other enterprise technology services. The company works with organizations across industries and markets seeking to streamline workflows, modernize systems, and introduce scalable automation and AI capabilities into day-to-day operations.

The Titan 100 recognition is a leadership milestone for Rajangam and Katpro Technologies within the Tampa Bay business community. It also places Rajangam alongside executives representing industries including information technology, healthcare, financial services, professional services, construction, food and beverage, marketing, and nonprofit organizations.

Katpro Technologies congratulates the full 2026 Tampa Bay Titan 100 class and looks forward to participating in the Titan 100 community and the October awards celebration.
