Retailer of Self-Defense and Survival Gear Expands Its ZAP Lineup With a Versatile Tool Built for the Trail and Emergency Preparedness

The Home Security Superstore, a leading online retailer of self-defense, security, and survival products, announced today that the ZAP Tactical Hike 'n Strike 18-in-1 Survival Kit LED Stun Gun Stick 950K is now available for purchase on its website. Priced at \$149, the Tactical Hike 'n Strike is designed as an all-in-one companion for hiking, camping, emergency preparedness, and personal protection, pairing a collapsible walking stick with a detachable stun device that claims 950,000 volts.

Constructed from lightweight, aircraft-grade aluminum, the Tactical Hike 'n Strike weighs just 1.8 pounds and features a collapsible five-section design that adjusts to the user's preferred height and packs down to a compact 16-by-6-by-2-inch size for storage in a daypack or vehicle. An integrated LED flashlight improves visibility in low light, while interchangeable steel and rubber tips provide traction across varied terrain. The built-in 18-in-1 survival kit includes a knife, saw, fire starter, whistle, paracord, glass breaker, multi wrench, fish hook remover, and additional essential tools, all housed within the stick itself.

"Our customers want gear that pulls double duty, and the Tactical Hike 'n Strike delivers exactly that," said Ray Gilbarte, President of The Home Security Superstore. "It's a walking stick, a survival kit, a flashlight, and a personal protection device in a single 1.8-pound package. Whether someone is on a remote trail or walking the neighborhood after dark, this gives them confidence to handle whatever comes up." The product is backed by a two-year limited manufacturer's

warranty and the retailer's 30-day money-back guarantee.

The Tactical Hike 'n Strike joins The Home Security Superstore's established line of ZAP stun guns, one of the most recognized names in consumer self-defense electronics. With more than 20 years of experience in the industry, the A+ BBB-accredited retailer has earned the trust of individuals, families, and businesses nationwide, and its products are used by law enforcement groups across the country. All orders are supported by a U.S.-based customer service team, with free shipping on orders over \$50.
