today announced it has been ranked No. 2,018 on the 2026 Inc. 5000 list, the annual list of the fastest-growing private companies in America. The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, and Oracle.

In its first appearance on the Inc. 5000, Energize Marketing also ranked No. 160 among Advertising, Marketing and PR companies, No. 161 in New York, and No. 188 in the New York-Newark-Jersey City metropolitan area.

"Earning a place on the Inc. 5000 is a meaningful milestone for Energize and a reflection of the trust our clients place in us," said David Steifman, co-founder of Energize Marketing. "Our growth has been powered by an exceptional team and a shared commitment to helping B2B technology marketers reach real buyers, build authority, and turn engagement into measurable pipeline. We are proud of what we have built together and excited about the momentum ahead."

Energize's growth has included continued investment in its proprietary audience intelligence, demand generation, research, content, webinar, experiential, and media capabilities. Today, its integrated ecosystem reaches more than 25 million verified IT and business decision-makers worldwide through EnergizeDB®, TechResources™, TechStudio™, TechTalks™, TechEvents™, and the [TechChannels™](#) media network.

The company's growth has also been accompanied by industry recognition. In 2026, Energize received awards from the Fin.Tech Marketing Community for Best Lead Generation/Demand

Generation Campaign and Best Account-Based Marketing Campaign. Energize has also been recognized by the Cybersecurity Marketing Society for its content syndication, lead generation, and webinar programs.

“This recognition represents how far Energize has come and the opportunity still ahead of us,” said Michael Greenhut, co-founder of Energize Marketing. “We have continued to expand our capabilities while staying focused on the outcomes our clients care about most. Their trust, combined with the expertise, creativity, and accountability of our team, continues to power our momentum.”

This year’s Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

“Every company on the Inc. 5000 has a story of perseverance, smart decision making, and a refusal to sit still,” says Mike Hofman, editor-in-chief of Inc. “Their growth reflects more than strong financial performance—it reflects creativity, resilience, and the customer focus required to build companies that make a lasting impact. We congratulate all honorees on this significant achievement.”

Inc. will celebrate the honorees at the 2026 Inc. 5000 Conference & Gala, taking place October 14–16 in Dallas, Texas and the top 500 will be listed in the Fall issue of Inc. Magazine. Tickets are on sale now.

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
