Cautionary Note Regarding Forward-Looking Statements

This news release contains "forward-looking information" within the meaning of applicable Canadian securities laws. Forward-looking information includes, without limitation, statements regarding the Company's intention to prepare and file its outstanding continuous disclosure and to apply for a full revocation of the cease trade order, and the anticipated benefits of the change of control. Forward-looking information is based on assumptions and is subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied, including the risk that the Company may be unable to complete its outstanding filings on a timely basis or at all, that the applicable securities regulators may not grant a revocation of the cease trade order, and general economic, market and business conditions. Although the Company believes the expectations reflected in such forward-looking information are reasonable, undue reliance should not be placed on forward-looking information because the Company can give no assurance that such expectations will prove to be correct. The forward-looking information contained in this news release is made as of the date hereof and the Company undertakes no obligation to update or revise any forward-looking information,

whether as a result of new information, future events or otherwise, except as required by law. Additional information about the Company is available under the Company's profile on SEDAR+ at www.sedarplus.ca.
