

FLEOA Congratulates Todd Blanche on Confirmation as United States Attorney General

WASHINGTON, DC, UNITED STATES, August 10, 2026 /EINPresswire.com/ -- The Federal Law Enforcement Officers Association ([FLEOA](#)) congratulates Todd Blanche on his confirmation by the United States Senate to serve as the 98th Attorney General of the United States.

Attorney General Blanche brings extensive prosecutorial and executive leadership experience to the Department of Justice, along with a demonstrated commitment to supporting the federal law enforcement professionals who work every day to protect the American people and uphold the rule of law.

Having served as Deputy Attorney General and subsequently Acting Attorney General since April 2026, Blanche has provided leadership across the Department of Justice and its law enforcement components, including the FBI, Drug Enforcement Administration, U.S. Marshals Service, Bureau of Alcohol, Tobacco, Firearms and Explosives, Federal Bureau of Prisons, and the nation's 93 U.S. Attorney's Offices.

"On behalf of FLEOA and the more than 34,000 federal law enforcement officers we represent, I congratulate Attorney General Blanche on his confirmation," said FLEOA National President Mat Silverman. "Attorney General Blanche understands the extraordinary responsibilities carried by the men and women of federal law enforcement and the importance of ensuring they have the resources, protections, and support necessary to accomplish their missions. We look forward to continuing our strong working relationship with him and the Department of Justice."

FLEOA has worked closely with Attorney General Blanche on issues directly affecting federal law enforcement officers, including officer safety and wellness, recruitment and retention, pay and benefits, retirement protections, and other legislative and policy priorities affecting the federal law enforcement community.

Blanche began his legal career as a prosecutor in the U.S. Attorney's Office for the Southern

District of New York, where he handled and supervised complex investigations involving violent crime, public corruption, and racketeering. His experience as both a federal prosecutor and senior Department of Justice leader provides him with a firsthand understanding of the challenges confronting federal law enforcement personnel and the importance of supporting those serving on the front lines.

FLEOA Foundation President Jon Adler, who testified in support of Blanche during the confirmation process, said:

"It is an honor to have supported Todd Blanche to serve as our 98th United States Attorney General. Since I met General Blanche as a young paralegal at the U.S. Attorney's Office, he has been passionate and fully committed to driving down violent crime. He balances this unbreakable commitment with his unwavering support for law enforcement and compassion for the survivors of our fallen heroes. As a loving father of a teenage girl, I will sleep well knowing Attorney General Todd Blanche is leading our nation's law enforcement and prioritizing the protection of our citizenry."

FLEOA looks forward to working with Attorney General Blanche and Department of Justice leadership to advance policies that protect federal law enforcement officers, strengthen recruitment and retention, enhance officer safety and wellness, and ensure federal law enforcement agencies have the personnel and resources necessary to fulfill their critical missions.

"We congratulate Attorney General Blanche and wish him every success as he assumes this tremendous responsibility," Silverman added. "FLEOA stands ready to work alongside him to strengthen federal law enforcement, support the dedicated men and women who serve our nation, and advance our shared commitment to keeping America safe."

###

FLEOA serves more than 34,000 registered members in the federal law enforcement community, who serve across more than 65 agencies. The organization does not endorse political parties or candidates but serves as a voice of advocacy for federal law enforcement through the legislative process.
