

# Acclaim Autism Named to the 2026 Inc. 5000 List of America's Fastest-Growing Private Companies

*Ranked No. 42 Among the Fastest-Growing Private Companies in the Philadelphia Metropolitan Area*

PHILADELPHIA, PA, UNITED STATES, October 12, 2026 /EINPresswire.com/ -- Inc. has named [Acclaim Autism](#) to the 2026 Inc. 5000, its annual ranking of America's fastest-growing private companies. The list recognizes the nation's most successful independent businesses based on revenue growth and celebrates companies driving innovation, creating jobs, and making a meaningful impact in their communities.

Acclaim Autism was recognized as:

- No. 42 in the Philadelphia-Camden-Wilmington metropolitan area
- No. 43 among all private companies headquartered in Pennsylvania
- No. 204 in the Healthcare & Medical category nationwide

Since its founding, Acclaim Autism has remained focused on one mission: helping more children and families access compassionate, evidence-based autism services. Over the past three years, the organization's growth has enabled continued investment in clinical excellence, technology, operational innovation, and community partnerships that improve access to high-quality Applied Behavior Analysis (ABA) services across the communities it serves.

As demand for autism services has grown, Acclaim Autism has continued advancing clinical excellence, investing in technology, and improving operational processes to help families access services more efficiently while equipping teammates with better tools to deliver exceptional care.

Acclaim Autism Brewerytown team Inc. 5000 celebration

“When I founded Acclaim Autism, the goal was never growth for growth’s sake—it was to build an organization capable of helping more children and families access exceptional autism services,” said Jamie Turner, Founder & President of Acclaim Autism. “Being named to the Inc. 5000 reflects the dedication of our entire team and the trust families place in us. We are proud of how far we have come, but even more energized by the opportunity to expand access, advance clinical excellence, and create a lasting impact in every community we serve.”

The Inc. 5000 represents one of the most respected recognitions for privately held businesses in the United States. Companies are ranked based on verified three-year revenue growth and must meet rigorous eligibility requirements, including being privately held, U.S.-based, independent, and for-profit. Past Inc. 5000 honorees include companies such as Microsoft, Meta, Oracle, Chobani, and Patagonia.

“

When I founded Acclaim Autism, the goal was never growth for growth’s sake—it was to build an organization capable of helping more children and families access exceptional autism services.”

*Jamie Turner, Founder & President of Acclaim Autism*

We congratulate all honorees on this significant achievement."
