

DiningRD Named to the 2026 Inc. 5000 List for the Fourth Consecutive Year

Senior Living Dining Technology and Consulting Company Continues Its Record of Sustained Growth

ST. LOUIS, MO, UNITED STATES, August 11, 2026 /EINPresswire.com/ --

[DiningRD](#) today announced it has been ranked No. 1530 on the 2026 Inc. 5000 list, marking the company's fourth consecutive appearance among America's fastest-growing private companies.

The list is the most prestigious ranking of the nation's most successful independent and entrepreneurial businesses, recognizing companies that have achieved remarkable growth while driving innovation, creating jobs, and shaping the future of the economy. Past honorees include companies such as Microsoft, Meta, Chobani, Oracle, and Patagonia.

“

Four years on the Inc. 5000 reflects the strength of our team, the trust of our clients and our drive to transform senior living dining through technology and dietitian expertise.”

Carol Sapp, CEO, DiningRD

“Making the Inc. 5000 for a fourth consecutive year is especially meaningful because it reflects sustained growth and the trust our clients place in us,” said Carol Sapp, CEO of DiningRD. “As senior living continues to evolve, we’re committed to evolving with it—investing in our people, our technology and new ways to help communities create exceptional dining experiences.”

DiningRD's continued growth reflects the company's expanding role in senior living dining. Over the past several years, DiningRD has grown its technology, consulting, and education solutions while continuing to invest in the dietitians and dining professionals who bring senior living expertise to its products and services.

Today, DiningRD supports senior living organizations with solutions spanning menu planning, resident dietary management, digital dining, integrations, purchasing, consulting, and education. Most recently, the company has expanded its DiningManager platform with new AI-powered

tools designed to simplify time-consuming workflows while keeping dietitian expertise at the center of dining decisions.

This year's Inc. 5000 recognizes a new class of companies redefining what growth looks like. From AI and advanced manufacturing to healthcare, consumer products, and professional services, these businesses are expanding their impact, creating jobs and proving that entrepreneurial ambition continues to fuel the U.S. economy. Among the 5,000 companies on the list, the median three-year revenue growth rate was 130%, and those companies have collectively added more than 627,208 jobs to the U.S. economy over the past three years.

Inc. 5000 List Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2025. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2022 is \$100,000; the minimum for 2025 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons.
