

Noiré Dispensary Brings Its Curated Cannabis Menu to Doorsteps Across Essex County and Beyond

Maplewood cannabis retailer pairs a rotating, brand-forward product selection with weed delivery reaching more people

MAPLEWOOD, NJ, UNITED STATES, August 12, 2026 /EINPresswire.com/ -- Noiré Dispensary, the recreational cannabis retailer at 171 Maplewood Ave., today highlighted two of the services shaping how New Jersey customers shop with the brand: a deep, frequently refreshed product menu and a [weed delivery](#) program that now serves a wide stretch of Essex, Union, Morris and Somerset county communities.

[Noire Weed Dispensary Maplewood](#) opened with a simple premise — that a dispensary should do more than sell cannabis. The store describes its mission as educating customers, delivering a distinctive shopping experience, and creating an atmosphere built around relaxation, well-being and community. That philosophy shows up in the in-store materials Noiré develops to explain cannabis science in plain language, covering topics such as the endocannabinoid system and how cannabinoid receptors work, so that both longtime consumers and first-time visitors can make informed choices.

Noiré's Maplewood menu spans twelve categories: flower, pre-rolls, edibles, concentrates, topicals, tinctures, beverages, accessories, apparel and gift cards. Within those categories, the selection rotates regularly and draws from a broad roster of New Jersey and national brands, including Sunday, Another State, West Orange Farms, CROPS, Glass Meadows, Shaka, Springtime, Green Joy, Ozone, Miss Grass, Camino, WYLD, Wana, Grön and Good Tide.

Every product listing carries the details that matter to informed shoppers. Flower and pre-roll listings display THCA and total terpene percentages alongside strain type — indica, sativa,

hybrid, or a dominance leaning — while edibles list THC and CBD milligram content and pack size. A customer comparing a 1g pre-roll at 25.87% THCA against one at 19.57% can see the difference before adding either to a cart.

The menu is also organized around outcomes rather than jargon. Curated collections group products under headings such as Best Sellers, New Arrivals, Best Value, Sleep & Relax, and Happy & Uplifted, giving newer customers a starting point when the full catalog feels overwhelming. Shoppers who prefer a conversation can visit the store, where budtenders help match strains to desired effects, whether that is relaxation, focus, creativity, or energy.

Value is built into the menu as well. Noiré runs bundle and mix-and-match [dispensary deals](#) across categories — multi-buy pricing on 1g pre-rolls and 3.5g flower, discounted two-packs on concentrates, and bulk savings on larger flower formats — with a dedicated deals section that updates as offers change.

Noiré's delivery service extends the same menu beyond Maplewood's borders. Coverage is organized in four distance bands radiating out from the store. The 0–5 mile zone includes Maplewood (07040), South Orange, East Orange, Orange, West Orange, Millburn, Irvington, Hillside and several Newark ZIP codes. The 5–10 mile zone reaches Bloomfield, Montclair, Verona, Livingston, Short Hills, Elizabeth, Roselle, Cranford, Garwood and Summit. The 10–15 mile band covers Plainfield, Rahway, Linden, Parsippany, Berkeley Heights, Chatham, Madison, Morristown, Denville and New Providence, while the 15–20 mile band extends to Pine Brook, East Hanover and Convent Station.

Customers can confirm their eligibility by checking their ZIP code on the delivery page at noiredispensary.com/delivery before placing an order.

Orders can be placed online for in-store pickup or delivery, and Noiré offers a mobile app on the Apple App Store as well as an Android app installable from the browser. The dispensary also runs a loyalty program: customers who register in-store or online with a name, phone number and email earn points toward discounts, freebies, and member-only deals.

Noiré serves recreational customers only. No medical cannabis card is required — customers need a valid government-issued photo ID showing they are 21 or older. The store accepts cash and debit cards for in-store purchases.

Noiré Dispensary is located at 171 Maplewood Ave., Maplewood, NJ 07040, and is open Monday through Saturday from 10 a.m. to 8 p.m. and Sunday from 10 a.m. to 7 p.m. The store holds a 5.0-star rating across more than 800 Google reviews.
